

# *If you want to help, you will need:*

- Acrylic Paints
- Paint Brushes
- Plastic cups with water (to clean the brushes)
- Newspapers to lay down on the table so you don't get paint on the table
- Paper towels
- Paper Plate to put small amounts of different color paints
- Old t-shirt so you don't get paint on you
- Rocks of any size from your yard

# After you've collected all your materials follow these steps:

1. Put the newspaper down on the table
1. Pour water in small cups (you will need to change the water if it becomes too dirty)
1. Squirt different colors of paint on paper plate to create a paint palette
1. Take your paint brush and dip it in the water before you switch to another color
1. Keep paper towel nearby for any messes
1. Paint faces, words, pictures that spread happiness and kindness!
