

St. Louis Catholic School re-opened its doors last Fall and welcomed 500+ students back with socially distanced open arms and hearts – some students joined us daily, some virtually and others a combination of the two. Our new instruction model came with a host of unplanned expenses – thermal scanners, technology such as a wellness screening app, portable devices for every student and teacher, additional support and janitorial staff, and increased internet connectivity to insure sufficient bandwidth for synchronous virtual instruction.

Our classrooms have been filled with the joyous sounds of much missed youth this school year, but our 64 year old building is beginning to show its age. The abrupt closure of our campus buildings that sat vacant for months last Spring brought to light a multitude of repairs and improvements that need to be made now and in the very near future. As we prepare to welcome all of our students back for full-time in-person instruction for the 2021-22 school year, these needs have become especially critical.

**In the home stretch of the campaign, we're placing all our eggs in one basket to reach our \$125K goal!**

In this year of Charity and with our spiritual theme "Spread Love, Know Jesus" we hope that you will join us in support of our mission and make a gift to the campaign. All funds raised will be used for our most critical capital needs in addition to technology and tuition assistance.

The 2020-21 Campaign closes on June 15, 2021. Tax deductible gifts may be given anytime as a single payment directly to the school or electronically via the PayPal Giving Fund ([paypal.com/us/fundraiser/charity/1917552](https://paypal.com/us/fundraiser/charity/1917552)). Thank you for your support!
