

Update Report #8

November 20, 2020 @ 1630HR

Current Framework Stage as of 12:01am Monday Nov. 16

CONTROL

COVID-19

2nd Wave

Markham Fire and Emergency Services is working with the Executive Leadership Team to provide regular high level weekly updates to Staff, and Council.

NEW THIS WEEK: On November 20th, The Province announced that as of Monday November 23rd at 12:01am, Toronto and Peel Region will be in Lock down. Places of worship in those Regions will have stricter gathering measures, limiting to 10 persons per facility

Prevent

Standard Measures
The focus is on education and awareness of public health and workplace safety measures in place;

Protect

Strengthened Measures
Includes enhanced education, targeted enforcement and fines to limit transmission, as well as additional public health measures applied in high-risk settings

Restrict

Intermediate Measures
The focus is on education and awareness of public health and workplace safety measures in place; restrictions reflect the broadest allowance of activities in Stage 3 while the highest-risk settings remain closed

Control

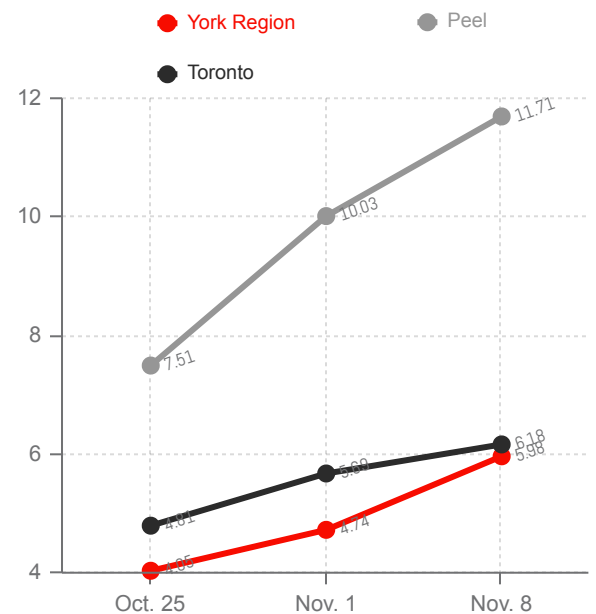

Stringent Measures
Includes enhanced education, targeted enforcement and fines to limit transmission, as well as additional public health measures applied in high-risk settings

Lockdown

Maximum Measures
Trends continue to worsen after measures from Control level are implemented Includes enhanced education, targeted enforcement and fines to limit transmission, as well as additional public health measures applied in high-risk settings
