

## NOW HIRING | FULL TIME, SEASONAL | FRAME and TRAY MAKER

Lake Art is a family owned and operated custom woodworking business located in Harbor Springs, Michigan. As a team we strive to produce quality, one-of-a-kind artwork in a positive and productive environment. The ideal candidate will work independently with little supervision once trained and assist various teams as needs fluctuate.

### QUALIFICATIONS

- basic knowledge of power tools
- some woodworking experience
- comfortable operating saws, joiner, planer, shaper, router, belt sander, orbital sander, under pinner (training provided)
- able to stand, bend, twist and reach throughout 8-9 hour shift
- must be able to lift 50lbs

### RESPONSIBILITIES

- assemble cherry trays from machined wooden parts
- create various styles and sizes of wooden picture frames from scratch
- maintain a clean and organized woodshop
- follow directions; execute tasks as instructed; ask questions
- display consistent attention to detail and commitment to quality
- contribute to a productive and positive work atmosphere
- communicate with other team members to effectively manage tasks and expectations
- safely and intentionally handle power tools

### OTHER DETAILS

Lake Art is currently open Monday through Friday from 7:30 am – 4:30 pm and will have extended hours during the holiday season, including some weekends. Compensation is based on experience. If you are interested in learning more, please send your resume to [wiggins@lake-art.com](mailto:wiggins@lake-art.com) and include two professional references.
