New Business

New Vestry member nomination—Horace Cartwright will be asked to join the vestry to fulfill the unexpired term ending in January 2023.

Celebrate renewed committees/teams—Buildings and Grounds will consist of George Kondash, Steve Filko, Rob Baser, Barry Smith and Rick Weaver. Pastoral Care will be led by Karen Larson with a focus on being spiritual partners. Flower Guild will be led by Pat and Marcie.

Rejuvenating Outreach committee will be the next focus. Ken has expressed interest.

MusikFest Parking—Joanne brought a proposal from the Bethlehem Historic District to reserve 5 spaces each day for use by their staff and volunteers. She will go to them suggesting \$300 for the duration but would drop to \$250 if necessary. There would need to be a placard to be left in the vehicle to identify it as BHD and designated spaces would be identified prior to Musikfest. No overnight parking will be allowed.

Old Business

We will request that Marcie, current NBM board member, provide a quarterly report out.
