# PAST LEADERSHIP GRADUATES ARE SAYING...

"I took the class wanting to sharpen my leadership skills. While doing that, I also learned so much about my community. I have lived in Cass County my whole life yet still learned so much about it. I'm glad I invested the time in this course."

Rachel Henry  
Modern Real Estate

"The networking experiences I was provided through the leadership program were invaluable. I enjoyed the tours of businesses in our community that I probably would not have had the opportunity to learn about if it were not for this program."
