FOR IMMEDIATE RELEASE

## **González Named Partner at LERA**

*Award-Winning Engineering Firm Expands Partnership*

NEW YORK February 1, 2021 — LERA Consulting Structural Engineers (LERA), a world-renowned, award-winning structural engineering consulting firm based in New York, is pleased to announce promotions for 2021. Douglas P. González, P.E., has been named a partner at LERA. With the firm since 1991, Mr. González leads many of LERA's healthcare and adaptive reuse projects. Currently, he is overseeing LERA's effort for projects consisting of new and renovated facilities at NYU Langone Health, Coney Island Hospital and Mount Sinai South Nassau. He has active projects across the greater New York region, in the Pittsburgh, PA area and the Midwest, as well as internationally in Asia.

LERA Consulting Structural Engineers (LERA) is an M/WBE structural engineering firm providing services to architects, owners, contractors, and developers. Since their founding in 1923, they have designed numerous landmark projects across the world, and established a strong reputation for design and technical excellence. LERA's services include complete structural designs, feasibility studies, peer reviews, value engineering, blast analysis and design, forensic consulting, assessments, and inspections. Headquartered in New York City, LERA also operates offices in Mumbai, Shanghai, Hong Kong and Seoul and has completed projects in over 50 countries.
