REACHING THE WORLD

Wesley students raised most of the funding needed for their 2020 mission efforts, which included one regional, week-long mission trip to do home repair in Pine Bluff, AR in January 2020. Students also raised money to purchase socks for the Salvation Army; purchase and donate food to the Ronald McDonald House; provide warm blankets, towels and an additional donation to the Fayetteville Animal Shelter; and provide snacks for the U of A Full Circle food pantry.

Students also set up a Coronavirus Assistance Fund and raised additional donations to aid students with financial difficulties stemming from the Coronavirus, with items like rent assistance and groceries. In addition to directly assisting students, the fund was also used to make donations to the U of A COVID19 Emergency Fund and the U of A Full Circle Food Pantry.
