

Help Preserve Broadview Heights's Heritage for Future Generations

Support the Broadview Heights Historical Society as we continue to raise funds to renovate our forever home.

In our new home, the Broadview Heights Historical Society looks forward to:

- Preservation of and public access to various historical community artifacts
- Preservation of and public access to many historical community documents
- Sharing and adding to the story of Broadview Heights with all visitors
- Hosting educational community events
- Offering a library full of community research documents
- Serving as a resource for valuable historical community information
- Hosting community discussions

With this new building our community will have a venue space to convene in a dialogue about the heritage of our history, as well as explore the history of the area.

Through the wonderful generosity of the City of Broadview Heights, our donors and grant awards we have already raised enough money to renovate the property and house our collections. However, we still need an additional \$100,000.00 for non-essential repairs.

There are three ways you can contribute:

- By mail, gifts can be directed to "Broadview Heights Historical Society ATTN: Candy Korn, 8477 Broadview Road, Broadview Hts., OH 44147
- Online, please visit www.broadviewheightshistoricalsociety.org to make a secure donation via PayPal
- Purchase a brick paver (see back of this paper), which will be laid in front of our forever home in conjunction with the 2018 renovation of the property

Your contribution toward the preservation of Broadview Heights historical artifacts and documents will be greatly appreciated by future generations. Thank you for your support!
