Ian Lee, Ashdene Guest House	Printing Notices	Covid Notices We have downloaded signs from this website to put around our B & B on several occasions, it will not let you copy and save them and there are lots of options on the site that you have to pay for; we have never purchased anything on it so cannot endorse it for that. But for just printing off some signs for your B & B it works, just click on the link https://plumgroveinc.com and go to the tab COVID 19, Free printable signs & posters.
