

UC San Diego

RAISING ADVANCEMENT AND PARITY FOR INFECTIOUS DISEASE RESEARCHERS (RAPID)

RAPID, sponsored by NIAID, is an **all-expense-paid** faculty development program for **research-oriented junior faculty**.

Program includes **research and career mentoring** by UC San Diego faculty, **professional development**, and **in-depth grant writing training**.

Program duration: July 2023 to July 2024
with on-site visits in San Diego, CA

Encouraged to apply:

*Women, persons with disabilities,
underrepresented racial/ethnic
minorities, and individuals from
disadvantaged backgrounds*

**APPLY BY FEBRUARY 28, 2023 @
RAPID.UCSD.EDU**

*"This experience has been
very valuable, especially
the mentoring and grant
writing courses."*
