PRIVATE RISK SOLUTIONS

You've built a legacy. Let's protect it.

Lockton understands the risks inherent in a luxury lifestyle, which is why we've built a global network of resources to protect your accomplishments and your legacy.

Protect and preserve your wealth today, tomorrow and for future generations with tailored strategies built for the highest of standards.

We understand you.

We start with your priorities, your assets and how you think about protecting your legacy.

- Your personality, risk tolerance and asset portfolio shape the approach.
- A comprehensive review of your environment and claims history identifies where you're exposed and where risks can be mitigated early.
- Your priorities become the foundation for every decision that follows.

We design around you.

Rather than a one-size-fits-all program, you get a strategy built specifically for your lifestyle.

- Coverage structures, limits and terms are tailored to your evolving needs.
- Your story is proactively positioned with underwriters to strengthen outcomes and maximize value.
- You gain access to trusted risk management specialists, from security to art advisory, when needed and risk advisory to improve the security of your homes, evacuation plans, etc.

We deliver for you.

You benefit from solutions and access that go beyond standard market offerings.

- Access to specialty and global insurance markets not readily available elsewhere.
- Strong carrier relationships create more options and better alignment.
- The result: coverage that reflects your lifestyle.

A luxury lifestyle is about experiences, memories and aspirations. With Lockton, you're not merely insuring assets. You're preserving dreams, safeguarding legacies and optimally protecting every moment.

Protecting *what you value*

FAMILY OFFICES

Feel confident in your asset preservation and financial growth strategy. We partner with families and trusted advisors to design risk programs that align with generational wealth and philanthropic goals.

HOMES

Your home is protected through solutions designed for high-value residences, addressing construction quality, unique features and elevated exposures. From disaster preparedness to access to specialty expertise, we ensure the right resources are in place to protect what matters most.

AUTOS, YACHTS & AIRCRAFT

From collector vehicles to yachts and aircraft, we provide specialized solutions that preserve choice, control and discretion. Each asset is handled independently, with expert teams aligned to its unique risk profile.

LUXURY COLLECTIONS

These are often your most personal assets, including art, jewelry, wine and other collectibles. We help protect collections that reflect your lifestyle by connecting you with trusted appraisers, conservators and restoration experts.

EQUINE, FARM & RANCH

We create tailored insurance programs to protect your farm or ranch passions, from equine, livestock and crops to property, storage and transportation.

Protect what you've built and live with confidence.
