TIRED OF LOSING GREAT EMPLOYEES TO LONG COMMUTES AND SKYROCKETING RENTS?

At Big Sky Community Housing Trust, we know how hard it is to keep a strong workforce in one of Montana's most expensive housing markets. With community support and funding from the Resort Tax, affordable housing can now be purchased through Big Sky's community land trust. MeadowView Condo ownership is perfect for the dependable folks you currently employ who are tired of living in fear of losing their home to investors or vacationers.
