Misleading Finals

Army (-3.5) beat Temple 21-17. However, Temple had a 459-315 yard edge. The Owls were also +3.8 in yards per play margin. Army scored a TD with 1:41 left for the win and cover.

Iowa (+4.5) upset Michigan 20-19 on a 16-yard TD pass on the final play. However, it should not have come down to that. Michigan dominated with a 429-285 yard edge and were +1.5 in yards per play margin. Iowa got a 99-yard kickoff return TD. Michigan had won 47 straight games when leading at halftime.

UCF (+3.5) upset TCU 21-13. However, TCU had a 343-266 yard edge but were -2 in turnovers.

Georgia State (-8.5) beat Northern Illinois 35-14. However, NIU had a 432-342 yard edge.

Georgia (-11) beat Oklahoma 41-13. However, Georgia only had a 306-296 yard edge. The Bulldogs were +2 in turnovers and got a 85-yard fumble return TD.

SMU (-30.5) only beat Missouri State 34-24. It should have been worse as SMU had a 592-239 yard edge. The Mustangs missed two field goals and were stopped on downs twice.

Fresno State (-12) beat Rice 38-24. However, Rice had a 463-459 yard edge but were -2 in turnovers.

Bad Beats

Iowa closed a 4.5-point underdog at Michigan. They trailed Michigan 19-14 with under two minutes left. Iowa went 91 yards in 11 plays getting a 16-yard TD pass on the final play to cover all numbers, win outright and also put the game over the early week 38.5 total.

The total in the Notre Dame/Purdue game was 57.5. With 4 minutes left, Purdue only had 3 points and 143 total yards. However, the Boilers would go 75 yards in 10 plays getting 14-yard TD pass with :06 left to put the game OVER as Notre Dame won 49-10.

East Carolina (-37.5) beat NC Central 42-9. East Carolina fumbled at the goal twice in the game. NC Central went 76 yards in 10 plays getting a TD with :31 left for the backdoor cover.

Pittsburgh (-54.5) beat Bucknell 59-0. Pitt led 52-0 but went 84 yards in 7 plays in the final 2 minutes throwing an 18-yard TD pass with :25 left on first down instead of taking a knee. Pat Narduzzi is a small man.

Games in Rotation Order

Thursday, October 1st

NEW MEXICO STATE 29 Western Kentucky 28 WKU has played the much tougher schedule (No. 12 vs No. 95) After playing three straight road games, WKU finally got a home game vs Mercyhurst last week and dominated. However, now they're back traveling on short rest. We bet OVER as both teams are in the Top 25 in terms of tempo but the total has moved 5 points since open.

North Texas 28 TULSA 27. Our ratings like North Texas here. North Texas out-gained Indiana as a 40-point underdog. They covered by 41 points vs UNLV. They have the better yards per play margin (+1.2 vs +0.7) and have played the tougher schedule (No. 56 vs No. 75). Tulsa could get their starting QB back.

Friday, October 2nd

VIRGINIA TECH 28 Pittsburgh 24. Pitt is better in ypp, ypg and ppg margins while playing a slightly tougher schedule (No. 102 vs No. 123). We bet them at open +6. At current, we would lean VT. Their defensive front has 45 tackles for loss, No. 1 in the country. VT is No. 1 in line yards/rush, No. 1 in stuff rate, No. 1 in Havoc. Meanwhile, Pitt QB Mason Heinischel had 13 TD's, 0 INT's vs Miami, OH and Bucknell. He has 0 TD's and 1 INT vs UCF and Syracuse with 46 and 42 QBR's on a scale of 1-100.

Liberty 28 DELAWARE 21. One factor handicap. Delaware QB Nick Minicucci will probably not play. His backup Braden Streeter was 2 of 16 for 9 yards last week vs Virginia. Our line would be Liberty -2 if Minicucci were playing. Slight lean UNDER.

Penn State 24 NORTHWESTERN 22. Northwestern's new \$875 million dollar stadium opens for this game. Two disparate results last week as Northwestern nearly upset defending champ Indiana on the road. Meanwhile, Penn State blew a 17-0 lead at home to Wisconsin losing outright as 9.5-point favorites. It was deserved considering the Nittany Lions got out-gained 355-233 and lost despite a plus-2 turnover margin. Penn State clearly missed star wide receiver Koby Howard who's out indefinitely due to injury. We bet Northwestern at open.

Saturday, October 3rd

Syracuse 30 CONNECTICUT 23. Our ratings like Syracuse here who come in off a bye. Syracuse should have beat Cal as they had a 436-249 yard edge and should have covered as double-digit underdogs to Pitt (only out-gained by 21 yards). That gives us value here.

Toledo 35 BALL STATE 17. We like what we're seeing from this Toledo team who ranks No. 12 in yards per play margin and they're off two solid wins vs Temple and San Diego State. Ball State's QB Keldric Luster was a late scratch last week and is questionable again here. Pass at current.

SOUTH FLORIDA 27 Temple 22. We like Temple here. 4-0 USF is overrated as they were outgained by 173 yards in the opener to FIU. They got a 4th down 38-yard TD pass in the final seconds to beat Army (trailed by 10 late). USF trailed awful Bowling Green 6-0 entering the 4Q last week. Meanwhile, Temple is better than their 1-3 record. They blew a 2-TD lead in the final 2 minutes vs Toledo. Then they outgained Army by 129 yards but loss last week. Big coaching edge as Temple HC KC Keeler is coaching his 401st game, Brian Hartline his 5th.

MIAMI, OH 27 Bowling Green 14. Miami, OH QB David McComb is doubtful this week. Caleb Heavner is likely to get the start. McComb ranks No. 15 in QBR and No. 3 in yards per pass attempt so it's a big loss. The problem is BG has by far the worst offense in CFB ranking dead last in ppg, ypg and ypp. We bet UNDER at open. It's been smashed.

Virginia 27 FLORIDA STATE 24. Keep an eye on UVA QB Beau Pribula. We're hearing he's pretty banged up. If he goes, we like UVA here though. They rank in the Top 25 in ypp, ypg and ppg margin.

GEORGIA 40 Vanderbilt 16. Georgia is 4-0 ATS and covering their games by an average of 10.3 points per game. Their games are 4-0 to the OVER by an average of 15.6 points per game. They do have a big game at Alabama on deck. We bet OVER.

Ohio 29 KENT STATE 24. Nice solid MAC game here. Ohio is better in yards per play margin but Kent State has played the tougher schedule. Our ratings like Ohio here. We also bet OVER despite both teams running a slower tempo.

SOUTH CAROLINA 29 Kentucky 27. We bet the OVER as we give the edge to both offenses. SC defense ranks No. 104 in EPA, No. 137 in explosives and No. 134 in points opportunity. They will be without their top defender in Dylan Stewart who was suspended. Meanwhile, South Carolina's offense is No. 25 in yards per play and No. 17 in tempo. Meanwhile, Kentucky defense ranks No. 121 in passing down success and No. 104 in stuff rate. The teams are combined 6-2 to the OVER this year.

MASSACHUSETTS 26 Eastern Michigan 22. At 4-0 we've upgraded UMass 12 points by far more than any team in the country (see page 5). Yet, we can't get to this spread in our power ratings (UMass by only 3.7). With a win here, UMass can win five games for the first time in a season since joining the FBS in 2012. It is also their largest favorite role over an FBS opponent since 2018. We like EMU.

HOME TEAM IN CAPS

MIAMI, FL 33 Clemson 16. This is Clemson's largest home underdog role since 2003 (vs Florida State +17.5). Miami comes in No. 1 in yards per play and yards per game on offense and No. 1 in ypg and ppg margins. Meanwhile, Clemson is No. 123 in yards per play, No. 127 in yards per game, No. 125 in EPA and No. 132 in success rate. Despite wins over North Carolina and Cal, I'm not buying Clemson is improved. Tait Reynolds is No. 133 in QBR arguably the worst starting P4 QB. Meanwhile, Miami QB Darian Mensah is No. 1 in QBR. Miami flexes their muscles.

WAKE FOREST 33 Stanford 21. A week after putting up a solid fight vs Miami, Wake Forest pulled the outright upset over No. 16 Louisville as 11-point underdogs. There was nothing fluky as Wake had a 6.6-5.4 yards per play edge and out-rushed Louisville 177-75. Wake's season win totals the last two years have been 4.5 and 5.5. After shockingly winning 9 games last year, head coach Jake Dickert is working his magic again. Not sure we want to lay the doubles here.

Louisville 30 NC STATE 27. One factor handicap. We're hearing Louisville QB Lincoln Kienholz won't play here. We bet NC State +5.5 and there's value on NC State at +3.5 or better.

Memphis 36 CHARLOTTE 16. Not much to say here. Charlotte might not win a single game this season while Memphis is one of the best teams in the Group of 6. We didn't bet side or total.

Western Michigan 31 BUFFALO 16. We like Western Michigan here even after they got crushed at home by Boise State. It's more of a play against a Buffalo team that is 0-4 ATS failing to cover by 11.1 points per game. Buffalo is -2.2 in yards per play margin despite playing the No. 172 strength of schedule (includes FCS).

NEBRASKA 34 Maryland 20. Maryland was an embarrassment on Saturday losing 54-3 to UCLA as short home underdogs. Head coach Mike Locksley is all but fired at this point and it looked like Maryland quit in the second half. The market is already reacting this week as Maryland opened as 12.5-point underdogs at Nebraska and now are 14.5-point underdogs. Nebraska is quietly No. 10 in ypp margin, No. 4 in ypg margin and No. 10 in scoring margin.

GEORGIA STATE 27 Old Dominion 26. Georgia State has flipped from dog to favorite. Makes sense considering Georgia State is 4-0 ATS this season covering their games by an average of 14.8 points per game. Meanwhile Old Dominion is 0-4 ATS failing to cover their games by an average 12.1 points per game. Numbers matter though and our ratings would lean with ODU now after the big move.

Georgia Southern 28 COASTAL CAROLINA 26. Georgia Southern has the better yards per play margin (+0.5 vs +0.1) and have played the tougher schedule (No. 45 vs No. 100). No surprise that they have flipped from dog to favorite here. We're passing at current though.

JAMES MADISON 36 Marshall 19. James Madison is 4-0 ATS covering their games by an average of 18.4 points per game. They're playing an overrated Marshall team that nearly lost to FCS Gardner-Webb last week. Our ratings can't get this high though and we lean Thundering Herd.

Notre Dame 35 NORTH CAROLINA 12. ND's defense ranks No. 1 in the country allowing just 199 yards per game and they've faced 3 P4 opponents so far (schedule strength No. 27). NC is off their 2nd bye already this season. Not sure it will matter as ND's "Leave No Doubt" tour continues. We bet ND and UNDER.

TENNESSEE 31 Auburn 24. Auburn QB Byrum Brown is No. 94 in rating and has thrown 5 interceptions. Tennessee QB Faizon Brandon is No. 56 in rating and has thrown zero interceptions. Neither QB is pushing the ball down the field...Brandon No. 80 in yards per attempt, Brown No. 95. Can Auburn protect? Allowed 25 TFL's bottom 25 in country, Tennessee has 34 TFL's Top 10 in country. Can Tennessee protect?...10 sacks allowed last week. This game feels like it has some variance, lots of tempo but inefficiency, sloppiness and defenses have the edge. Pass.

AIR FORCE 24 Navy 21. UNDERs are now 48-13-2 in service academy games since 2005. We've seen this total bet down 4 points this week and we're a part of it. Both teams are +0.4 in ypp margin. Both have played similar strength of schedules. Navy has already been upset twice. We think they'll play better here but it won't be enough.

HOUSTON 32 Central Florida 21. Houston is off a non-covering win at Georgia Southern. It was another game that flew over the total as Houston games are 4-0 to the OVER by an average of 10 points per game. UCF upset TCU but it was misleading as TCU had a 343-266 yard edge but were -2 in turnovers. We lean OVER.

Michigan 25 MINNESOTA 19. We're not sure there's a better example of "Karma" than what Michigan received on Saturday. After the controversial "Hail Mary" win over Western Michigan in the opener, Michigan lost on a "Hail Mary" to Iowa last week. However, Michigan dominated with a 429-285 yard edge and were +1.5 in yards per play margin. Iowa got a 99-yard kickoff return TD. Michigan had won 47 straight games when leading at halftime. Now they face a fired up Minnesota team fresh off an upset at Washington as 12-point underdogs. We haven't bet the game yet but slight lean Michigan.

KANSAS 36 Middle Tennessee 16. Kansas comes in off the bye after losing to Arizona State in London. The Jayhawks are better than their 1-2 record as they are +1.5 in yards per play margin vs the No. 41 schedule. Meanwhile, MT is -0.2 in ypp margin vs the No. 159 schedule.

Utah 33 RICE 22. UTSA won a wild one last week over Colorado State 59-45. Meanwhile, Rice lost by 14 at Fresno State. It was misleading as Rice had a 463-459 yard edge but were -2 in turnovers. Our numbers are right at the line.

CENTRAL MICHIGAN 26 Akron 21. Akron is -1.5 in yards per play margin vs the No. 50 schedule. Meanwhile, Central Michigan is -1.6 in ypp margin vs the No. 65 schedule. That signifies value on the underdog here especially at "+6.5".

WISCONSIN 27 Michigan State 18. Last week's upset win at Penn State probably saved Luke Fickell's job at least for now. Penn State led 17-0 but the Badgers out-gained them 355-233 and deserved the win. Michigan State is beat up after playing two physical games vs Notre Dame and Nebraska. RB Cam Edwards is out for the year. How does Wisconsin handle success? We have our doubts.

ILLINOIS 36 Purdue 26. Both teams have seen their games go 4-0 to the OVER this year. Purdue games have gone OVER by an average of 17.4 points per game while Illinois games have gone OVER by 6.6 points per game. Purdue's game vs ND last week should have gone UNDER though (see bad beats page 1). Our numbers are right near the line.

SOUTH ALABAMA 35 UL-Monroe 21. While our ratings lean South Alabama here. We find it a little troublesome backing a 2-TD favorite who is -1.9 in yards per play margin this year. ULM is 0-4 on the season and "only" -1.7 in yards per play margin. Pass.

SMU 37 Boston College 17. Boston College has been pretty scrappy this year as they were leading Virginia Tech 14-6 in the fourth quarter last week. On the other hand, SMU has been sloppy this year. That includes last week only beating Missouri State 34-24 as 30-point favorites. It should have been worse as SMU had a 592-239 yard edge. The Mustangs missed two field goals and were stopped on downs twice. We lean BC at +21 or better.

Texas Tech 32 COLORADO 19. Both teams have been very disappointing this year. Texas Tech covered the 34.5-point spread vs Sam Houston last week thanks to a pair of "Pick 6's". Colorado has played the much tougher schedule (No. 17 vs No. 97). Colorado is expected to start Isaac Wilson at QB here. Julian Lewis was benched in favor of Wilson during last week's game vs Baylor. We bet Colorado "+15.5" but pass at current.

NEW MEXICO 36 UTEP 15. New Mexico is a perfect 4-0 ATS this year covering their games by an average of 16.9 points per game. This line feels a little inflated though. UTEP has played the much tougher schedule (No. 23 vs No. 153).

ARIZONA STATE 29 Baylor 23. We bet Arizona State. We like the spot for them off a bye and finally back home after playing at Texas A&M and in London. The Sun Devils have the better ypp margin (+1.7 vs +1.1) and have played the tougher schedule (No. 36 vs No. 81).

ARIZONA 31 Cincinnati 24. Despite being 0-4 ATS, we haven't downgraded the Wildcats. On the other side, we have upgraded Cincy +2.5 points since the start of the season. Cincinnati's offense much better than expected...1-2 punch at RB Payne from ND and Cole Tabb from Stanford. They are averaging 7.2 and 11.1 yards per carry. However, Arizona is only giving up 80 rush yards per game. We didn't bet it.

USC 33 WASHINGTON 23. How do both respond after first loss of the season? Washington is 0-4 ATS this year failing to cover by 15.4 points per game. That's the worst mark in the country. Washington has been banged up at skill positions and in the secondary. They're playing a bunch of true freshman. Their defense has been good at No. 6 in EPA but haven't played anyone near USC's talent level and scheme.

TEXAS A&M 33 Arkansas 18. Has Texas A&M hit rock bottom yet? One week after losing outright at home to Kentucky as 17-point favorites, they were crushed by LSU 35-6. The final 35 minutes saw LSU out-gain A&M 360-69. The yards per play was 7.8-2.1. On the other side, Arkansas played their best game of the season and crushed Tulsa 34-6. Arkansas was only a 7-point favorite. Feels like a "Buy Low, Sell High." We bet A&M -13.5.

Ohio State 30 IOWA 15. Even though Iowa is 4-0, we've downgraded them 1.5 points since the start of the season. We didn't like their performance vs Iowa State and the adjusted box score had Michigan winning by 12. Iowa had the worst net success rate of any straight up winner last week. In post-game win expectancy, Iowa is the 2nd most fortunate team so far in the country behind Marshall. On the other side, is Ohio State going to run tempo? Last year, when Ohio State was running one of the slowest tempos in the country, we'd say that would play into Iowa's hands. This year, OSU is No. 53 in plays per minute. Ohio State's defense allowed 462 yards to Illinois last week, 2nd most Ohio State has given up in the last 4 years. The run defense is worrisome. Texas wore them down in the final 3 drives, then Texas gets dominated up front by Tennessee last week. Meanwhile, Illinois runs for 199 yards last week. Can Iowa run though? 93 yards vs Iowa State, 58 yards vs Michigan. We lean Ohio State.

Byu 28 TCU 21. BYU has only allowed 3 TFL's this year. The Cougars are No. 1 in offensive EPA, No. 1 in success rate, No. 4 in yards per play on offense. However, we think there's some "fool's gold" to this team. TCU QB Jaden Craig has been a big disappointment No. 69 in QBR and TCU is No. 130 in passing down success. However, TCU's defense is quietly Top 25 in ypg and No. 14 in ppg.

Alabama 34 MISSISSIPPI STATE 29. We've upgraded Alabama 3 points from the start of the season. Meanwhile, we've upgraded Mississippi State 7.5 points. Both have played Top 15 schedules so far. Both offenses have the edge over the opposing defenses. Miss St better in yards per play and yards per game, Alabama better in scoring. Two of the best sophomore QB's in CFB. Keelon Russell is No. 7 in QBR, No. 17 in rating and No. 12 in ypa. Kamario Taylor is No. 9 in QBR, No. 6 in rating and No. 15 in ypa. What defense can get a stop/prevent big play? What QB can play clean? Ultimately, Miss St better in ypp allowed, slightly tougher schedule, slight value on them at +6 or better.

Army 27 LOUISIANA TECH 23. Army could easily be 3-0 entering this game but blew a 10-point lead with five minutes left against USF in Week 2. USF completed a 38-yard touchdown pass on fourth down in the final seconds. What would this line be if that pass wasn't completed? On the other side, Louisiana Tech comes in off a bye and could get their quarterback Blake Baker back from injury who missed the Baylor game. However, we think Louisiana Tech's statistical profile is too much influenced by a 80-6 win over Northwestern State in week one. Northwestern State ranks No. 123 (out of 128) in our FCS power ratings. We like Army.

UL-LAFAYETTE 27 Arkansas State 21. We didn't bet the game. Worth noting is both play very slow tempo (Arkansas St No. 128, ULL No. 123). We've seen the total go from 50.5 to 47.5.

Florida 34 MISSOURI 28. Most of the public were surprised to see No. 21 Florida favored by 4 points over No. 4 Ole Miss last week. The Gators delivered on those expectations and then some in their 52-28 win. The Gators ran for 302 yards against a good Mississippi defensive front. Florida ranks No. 2 in the country averaging 53.5 points per game. They are now -150 to make the playoffs. OVER is 3-0 in Florida's 3 games vs FBS opponents by 26 points per game.

IOWA STATE 27 West Virginia 25. Numbers matter. We bet Iowa State +3.5 and +1.5 this week thinking they'd flip favorite. However, we like and have bet West Virginia +3.5 at current.

NORTH DAKOTA STATE 30 Wyoming 14. Should be a very slow tempo game as Wyoming is No. 117 in plays per minute, North Dakota State No. 124. We bet Wyoming.

UNLV 25 California 24. Two disappointing teams already with two losses this year. UNLV has beat Power 4 opponents like Vanderbilt, Houston, Kansas, UCLA and also Cal in the last few years Will Cal make some changes at offensive coordinator? We bet UNDER.

Oregon State 34 Colorado State 29. Colorado State games are 4-0 to the OVER this year by an average of 20.9 points per game. Meanwhile, Oregon State is 4-0 ATS this year covering their games by an average of 13.9 points per game. We bet OVER.

BOISE STATE 33 Utah State 16. Our power ratings make Utah State only a 17.5-point underdog, the biggest disparity of the week! Utah State is one of the most underrated teams in the country right now. The market threw Utah State in the trash for losing to FCS Idaho State in the opener as 15.5-point favorites. It was a misleading final as Utah State had a 407-241 yard edge but were minus-four in turnovers. After that game, Utah State almost upset Washington as 27.5-point underdogs, losing by only two points. After playing another ranked team in Utah, last week Utah State beat a solid Troy team. On the other side, Boise State is the highest rated Group of Six school in our power ratings. However, they didn't cover as large home favorites to South Dakota a couple of weeks ago. It's tough getting a ton of margin consistently when Boise State runs a slow tempo that ranks No. 131 in plays per minute on offense. Finally, it is tough to cover three touchdowns when Utah State is only allowing 22 points on defense this year.

Indiana 41 RUTGERS 16. Indiana is 0-4 ATS failing to cover by 6.8 points per game. Last week they only beat Northwestern by 6. This week we think they get right.

WASHINGTON STATE 24 Fresno State 23. Washington State has played the much tougher schedule (No. 20 vs No. 128). We've seen them flip from dog to favorite in this game and our power ratings agree.

Texas State 32 SAN DIEGO STATE 28. San Diego State is 0-4 ATS failing to cover by 12.5 points per game, the 2nd worst mark in the country. Their offense is running tempo (No. 13) but ranks No. 125 in yards per play. Meanwhile, Texas State is also running tempo (No. 14) but ranks No. 15 in yards per play.

HAWAII 28 San Jose State 24. San Jose State comes in off a bye. They've been better than expected at +0.5 in ypp margin vs the No. 106 schedule. Meanwhile, Hawaii has been horrific at -1.4 in ypp margin vs the No. 116 schedule. Hawaii lost to Wyoming last week and another loss would end their bowl hopes. We bet them -2.5.

Week 5 Computer Projected Lines for Every CFB Game

For the past nine seasons we have posted computer projected lines for every game on Wednesday. **Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 525-471-17 (52.7%) clip.** This year we are off to a 9-3 start. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 3 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite teams this week to back would be **Utah State +20.5**.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is one of the first books in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). In 2023, we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). In 2025, we were 263-209-1 55.7% (CLV 339-86-48 +1.7 ppg) Below is some of what we've already bet for Week 5.

Games in Rotation Order

Thursday, October 1st

Pittsburgh 20 CLEVELAND 18. Both teams are surprisingly 2-1. The statistical profile says other wise as Pittsburgh is -0.7 in ypp margin vs the No. 20 schedule while Cleveland -0.6 in ypp margin vs the No. 9 schedule. The Steelers used to dominate this rivalry but the two have split the last 12 meetings. We lean Cleveland.

Sunday, October 4th

† **Indianapolis 25 Washington 22.** @Tottenham Hotspur Stadium in London, England. Both teams are 1-2. Both should be thankful for a win as Indianapolis is -1.8 in ypp margin (No. 31) while Washington is -1.7 (No. 30). The Commanders were out-gained 437-258 and were -2.8 in yards per play last week but upset Seattle as 9-point underdogs thanks to a +3 turnover margin. Mariota played well throwing 3 TD passes. We lean Washington.

BUFFALO 26 New England 21. In the last 10 years, teams that start 3-0 ATS have gone 22-34 (39%) in Week 4 per John Ewing of Bet Labs. The Bills are 3-0 ATS. Somehow they survived a -4 turnover margin last week in their 24-16 win over the Chargers. They face a New England team that has major issues. It starts with QB Drake Maye has a 1-to-6 TD-to-INT ratio this year. Last year it was 31-to-8. This feels like a "Buy Low" though. Vrabel is 30-18-2 ATS as an underdog in his career.

CHICAGO 23 N.Y. Jets 20. Case Keenum delivered for the Bears on MNF as he was 24 of 34 for 247 yards and 2 TD's in the upset win over the Eagles. As of press-time we don't know who will be starting for the Bears. Meanwhile, the Jets are improved this year but have suffered a couple of tough losses the last two weeks. The line feels right until the Chicago QB situation clears up.

N.Y. GIANTS 21 Arizona 20. Tough making Arizona a road favorite here when they are -2.0 in yards per play margin (dead last). They have played a tough schedule so far (No. 2) at least compared to the Giants (No. 23). Somehow the G-Men are 2-1. They won last week despite Winston only going 12 of 18 for 117 yards. We like UNDER.

HOUSTON 25 Dallas 22. Houston enters 0-3. An 0-3 SU team in Week 4 facing a team with at least one win are 47-25-1 ATS (65%) since 2005. It's been even better recently at 24-9-1 ATS (73%) since 2015. The Texans are -0.6 in ypp margin vs the No. 11 schedule. The Cowboys are -0.4 in ypp margin vs the No. 15 schedule. We think Houston is the side but are not wild about the juiced -2.5.

CINCINNATI 27 Jacksonville 24. Both teams sit at 2-1 but both have negative yards per play margins. Both have played similar strength of schedules. The Bengals have to feel they let a big opportunity get away last week as they lost outright to the Steelers as 3-point favorites. The Jags are better in DVOA and DAVE but we don't see a ton of value here.

Green Bay 21 TAMPA BAY 17. Tampa Bay rookie Jalen Daniels will get the start here after Baker Mayfield dislocated his thumb last week. Maybe he can get Bucs backers to the window. Tampa has now failed to cover the spread in 12 games, the longest streak in the Super Bowl era by any team. The Packers haven't been much better as they are 2-9-1 ATS on the road since last season. They are also on a 0-4 ATS run vs backup QB's. They do have extra rest after the embarrassing 35-14 home loss to the Falcons last Thursday. Tough trusting either. We'll call it near the line.

L.A. Rams 23 PHILADELPHIA 20. Week 4 and you could argue the season is on the line for both. The Eagles are 2-1 straight up but 0-3 ATS and coming off an embarrassing loss to the Bears and Case Keenum on MNF. The Super Bowl favorite Rams are 1-2 after blowing a 16-0 halftime lead to Denver on SNF. The Rams are still +1.7 in ypp margin (No. 3). They rank No. 4 in Sagarin and No. 3 in DAVE as those two ratings still have priors baked into them. "3" seems right.

BALTIMORE 27 Tennessee 17. Tennessee is one of those 0-3 SU teams that fits a 73% trend since 2015 (see Houston/Dallas write-up). They have been close in recent weeks losing to Philadelphia in the final seconds and last week had a 4.6-4.1 yards per play edge but were -2 in turnovers vs the Giants. On the other side, Baltimore returns off the thrilling win over Dallas in Brazil. Baltimore has already lost outright as a big home favorite this year. We lean Tennessee getting more than 10.

HOME TEAM IN CAPS

MINNESOTA 23 Miami 14. Minnesota sits at 3-0 SU and ATS yet the Vikings are -0.5 in yards per play margin (No. 23). The Dolphins are 0-3 and rank No. 28 in ypp margin at -1.1 vs the No. 1 toughest schedule so far according to the Sagarin ratings. Minnesota's offense is dead last averaging just 4.3 yards per play. Tough laying double-digits with that. We like Miami

SAN FRANCISCO 26 Denver 22. The 49ers are 3-0. They rank No. 1 in yards per play margin (+2.5), No. 1 in Sagarin, No. 1 in DAVE and No. 1 in DVOA. It should be noted that they have played the weakest schedule in the NFL (according to Sagarin). They catch the Broncos traveling off the dramatic come-from-behind win over the Rams. Despite a 2-1 record, Denver is -0.6 in ypp margin (No. 24). They rank No. 10 in Sagarin, No. 12 in DAVE and No. 16 in DVOA. This line seems short.

KANSAS CITY 26 Las Vegas 22. Both teams are 3-0. Since 2003, in matchups of 3-0 teams, the underdogs has gone 10-6-1 ATS. Home dogs are 6-2 ATS. That would be the Raiders who are catching 4 points here. It is deserved though. Despite their 3-0 record, the Raiders are -0.3 in yards per play margin (No. 20). Meanwhile, 3-0 Kansas City is +1.7 in ypp margin (No. 3). Neither team has played an overly difficult schedule so far. We have more of a trust-factor with the Chiefs but the vibes are high for a first-year in Las Vegas. Pass for now.

SEATTLE 24 L.A. Chargers 17. The Chargers are 0-3 and desperate. Somehow they lost last week despite being +4 in turnovers. When desperate for a win, the last team you'd want to play and the last place you'd want to play at would arguably be in Seattle. Especially against a Seattle team that is off a misleading upset loss to Washington. Seattle lost outright for the first time in 13 games. They should not have lost considering they had a 437-258 yard edge and 6.8-4.0 yards per play edge. However, 3 turnovers did them in with Sam Darnold returning.

Detroit 25 CAROLINA 24. Weird matchup for Sunday Night football. For 25 years this would have gotten the 1:00 FOX regional treatment. The Lions are 2-1 but -0.2 in yards per play margin. The Panthers are 1-2 but +0.5 in yards per play margin (No. 7). Carolina has also played the tougher schedule. We like Carolina here who is on a 12-game ATS winning streak off a straight up loss.

Monday, October 5th

NEW ORLEANS 25 Atlanta 23. Not the best matchup for MNF. Both teams are 1-2. However, 8 or 9 wins might win the NFC South again making this more important than normal for such a matchup. Atlanta has extra rest coming off the Thursday performance in Green Bay where they crushed the Packers 35-14. Penix returned at QB and they played well. Meanwhile, the Saints are off an upset loss at home to the Raiders where they were done in by a -3 turnover margin. Atlanta is +0.4 in ypp margin, New Orleans is -0.1. Atlanta +8.5 for a final leg of a teaser is what interests most.
