

Hello KRS Families!

You should have all received in your child's folder a custom catalog for the Square 1 Art fundraiser. This year we had students do a self-portrait with guidance from Mr. Thompson in art class - they were even given mirrors to help them sketch their beautiful little faces!

Get a head on start ordering keepsakes and gifts featuring your portrait art online early so you will have them in time for December holidays!

How do I order?

All orders will be done online through the Square 1 Art website.

- 1) Use this link [Art Search](#)
- 2) Enter state, school name, and your student's name.
- 3) Your student's art and code will appear, simply select the artwork and begin ordering items of your choice! (note: if you were at KRS in past years you will see older artwork and can still order using that artwork as well)

Where do I ship, school or home?

This year there is no shipping to school option. All orders should be shipped home and orders over \$75 will receive free shipping.

(Tip: you can bundle orders with friends if you are under \$75 to save on shipping)

Will I get my items in time for late December holidays?

If you **Order by: 11/1/2022** all items should ship in time for late December gifts/holidays. Additionally, any orders past this date will not benefit the Kings Road School fundraiser.

If you have questions, or need anything at all, [contact customer care online](#) .

Thank you for supporting our school!
