Transformative Worship Through Music

Music and worship leaders address the realities of our time while sharing God's vision for the world. This has been true for centuries, and today is no different. Music and worship have transformative powers to help us understand the Gospel as we seek light and joy in the midst of darkness and challenge. Join us on beautiful Saint Simons Island for a weekend of reflection, conversation, education, and renewal.

*Friday, May 5th through Sunday May 7th
at historic Christ Church, Frederica on beautiful St. Simons Island, GA.*
