

EPISCOPAL CHURCHWOMEN OF CHRIST CHURCH, FREDERICA

P.O. Box 20292
St. Simons Island, Georgia 31522

Dear Christ Church family,

Well, you've done it again!! For the 64th time, you have shown the best of our church community, our islands and our hospitality. Because of your tireless efforts and countless hours of dedication and service, we welcomed thousands of visitors to our island and our church home. Of course, our community neighbors also once again joined the effort so eagerly and have become an invaluable part of this annual effort. A huge THANK YOU goes out to our homeowners who so graciously allowed over a thousand folks to traipse through their lovely homes, all for such a wonderful cause.

It has been said many times before, but it needs repeating.....it takes about 400 volunteers to pull this thing off. Each and every effort, no matter how large or how small is appreciated. Our results are not finalized as of this writing, but we do know that we had an outstanding turn-out for our beautiful tour day and that should lead to outstanding.....if not record.....proceeds. So stay tuned for more details as they become available. You will be the first to know. Congratulations to our entire team for their energy and leadership throughout this tour effort!!

Our grant application process will close at the end of this month and our grant donation meeting will take place in May. We are hopeful that we can once again touch many lives in our community through the very deserving charities which serve them, using our tour and cookbook sales proceeds.

Our annual Mother's Day celebration of our 90+ year old ladies will be held during coffee hour on Sunday, May 14th, Mother's Day. Please plan to join us as we celebrate those who have come before us and helped to lay the foundation of service, worship and fellowship that we share here at Christ church, Frederica.

I hope to see you in and around Christ Church often.

In His Service,

Jane Watson
ECW President
