Step Up in Faith!

You can see the breakdown of our 2017 pledges below. The parish has been very generous in 2017 and faithful in its giving. As we try to answer God’s call to serve others and share the good news, consider if you are able to step up one level from where you were last year. If everyone steps up, we can fund all the ministry we’re called to do!

Breakdown of our Congregation’s Giving Pattern

The numbers on each step are the number of pledges at that level in 2017.

Find where you are on this chart..... are you able to take a step up in 2018?

If you need a pledge card, you may print the form below and return it by bringing it to the church for Ingathering on Sunday, November 12th, or by mailing it to Christ Church, Frederica • 6329 Frederica Road • St. Simons Island, GA 31522.
