WATERSHED HIKE

LINE CREEK NATURE AREA

This 70-acre nature area offers visitors a diverse array of native vegetation and historic sites along the Flint River tributary Line Creek. On this hike we'll look for wildlife, visit a headwaters shoal, and talk about how green infrastructure can reduce the damages done by development and urbanization.

PRICING: This outing is free for FRk members and \$45 for non-members. Attending Line Creek Brewing is optional and each person will be responsible for their tab.
