

WHO'S THE BEST TECH?

If you've ever said to yourself that you just might be "the best automotive technician in the world," here's your chance to prove it! SSF is searching for the top three automotive technicians in the country to represent America at the AP Expert International Technicians Challenge; an all-expenses-covered event in Poland later this year. And the winner of the challenge will not only have the bragging rights to call him or herself "the best," but will also walk away with the grand prize of **5,000 euros!**

THE SEARCH BEGINS NOW...

WHO'S THE BEST TECH?

WE'RE SEARCHING FOR THE 'BEST TECHS' IN THE NATION

This is the first year that America will compete in the AP Expert International Technicians Challenge, and SSF is excited to sponsor the United States team!

Our team will consist of three of the best technicians in the country, who will travel (all expenses covered) to Warsaw, Poland to compete with top techs from all across Europe.

The Technicians Challenge is the highlight of the AP Expert automotive sports event & banquet, a one-of-a-kind festival that brings together car and motorcycle buffs from all over Europe. Each year, the event draws hundreds of visitors for a full weekend of nothing but fun at the Autodrom Slomczyn track!

TO REPRESENT AMERICA AT THE INTERNATIONAL TECHNICIANS CHALLENGE

Competition starts in America with technicians finishing timed theoretical testing. The top ten scoring techs will receive a variety of prizes from SSF, including the top three techs representing the United States with an all-expenses-paid trip to AP Expert International in Poland.

Once there, the three techs will enjoy the week's festivities, and compete for the title of best tech in the world for the international **GRAND PRIZE OF 5,000 EUROS!**
