

## AB 173 Sample Social Media

### **Facebook:**

- **@YOUR FACEBOOK HANDLE** OPPOSES Nevada Assembly Bill 173. This bill would prohibit the use of aftermarket parts in Nevada impacting nearly 18,000 good paying jobs. Tell your legislator to vote NO on AB 173.
- Proponents on Nevada Assembly Bill 173 claim this a consumer protection issue – however are not providing reliable facts supporting these claims. Tell your legislator to vote NO on AB 173!
- The automotive aftermarket industry provides nearly \$2.5 billion in economic output in the state of Nevada – AB 173 would impact this number severely and those programs supported by the tax dollars paid by the aftermarket industry. AB 173 is BAD for the industry and bad for Nevada's economy. We OPPOSE AB 173!
- Nevada Assembly Bill 173 gives the idea that only original equipment manufacturer (OEM) parts should be used to preserve a vehicles warranty. The Magnuson-Moss Warranty Act prevents tying the required use of a particular part to a motor vehicles warranty. Know your warranty rights and tell your legislator to vote NO on AB 173. <http://bit.ly/MMWarrantyAct>
- Preserve the consumers right to choose where their automotive parts come from! Nevada Assembly Bill 173 would give car companies the power to only recommend their own brand-new company parts. Tell your legislator to vote NO on AB 173!
