

| CAWA Exclusive Member Benefit

Satisfying HR Training Requirements

With more HR training requirements than ever being imposed on California employers, it is crucial to have the right training protocols in place. CoreMark is proud to make a powerful new resource available to CAWA members, the Training360 Learning Management System.

This system delivers high quality courses to satisfy training requirements for employees at all levels, with easy-to-understand videos and tools for management tracking.

Employer Benefits

- Employers assign training courses based on Role - Employees, Manager/Supervisors, or HR
- Employers self-administer the system
- Employers can track an employee's progress per course
- System issues certificates of completion per course for each employee
- Employers get course statistics and reports for their company

Courses/Topics Include

- Sexual Harassment Prevention Training for supervisors AND staff that satisfies requirements under SB 1343 (**New 2019 Law!**)
- Employment Laws Supervisors need to know
- Managing a Drug Free workplace
- OSHA Compliance and Safety Training
- Workplace violence and stress prevention
- Preventing Heat-Related Illness
- HIPAA & data management
- And many, many more!

This system is available at **no cost** to our CAWA Members!
