Thank you all for attending Dr. Rizzo's history talk on November 18th.
For those who wish to explore further- below are some recommendations from Dr. Rizzo, along with this link to his article.

***We are not Animals* by Dr. Martin Rizzo will be in print in Fall 2021, from University of Nebraska Press.**

Native Americans in the US years (post 1850s):

Ben Madley, ***An American Genocide***
Brendan Lindsay, ***Murder State***
Boyd Cothran, ***Remembering the Modoc War***

Native Californians and the missions:
Randall Milliken, ***A Time of Little Choice*** **(SF Bay Area up until 1810)**
Lisbeth Haas, ***Pablo Tac***
Lisbeth Haas, ***Saints and Citizens***
Deborah Miranda, ***Bad Indians***
William Bauer, ***California Through Native Eyes***
Michelle Lorimer, ***Resurrecting the Past: The California Mission Myth***

Member Mindy Scherr recommends exploring on foot some of the places mentioned above by following this guide:

Walks Far Man: In Step with History on the Pacific Crest Trail: Ostdick, Jim, Del Gado, Shawn Monique, Ostdick, John H, Reyna, Elayne Silva: 9798688091298: Amazon.com: Books
