What's Planned for Sunday Worship During Rev. Russ' Sabbatical?

The Worship Team is responsible for all Sunday Services during Rev. Russ's sabbatical, and has been working with Russ for the last 6 months to plan for the nine Sundays when he will be gone. Worship Lay Leaders will be responsible for their assigned services such as coordinating with guest speakers, providing the draft order of service to the Office Administrator to print copies, and other logistical support. Services will be announced as usual in Current Happenings and on the UUF Website.

Our Youth Minister Rev. Ryan Althaus will give the sermon for four Sundays in March and one in April. Other Sunday Services will be led by our Minister-In-Formation, Sangye Hawke (March 22); our Community Minister, Rev. Terra Collier-Young (April 12). Earth Day on April 19 will be a Mostly Musical Service led by Gail Swain, and our guest speaker on April 26 will be a Lead Organizer from COPA (Communities Organized for Relational Power in Action). Our 9 Sundays will be engaging, provocative, diverse, and inspiring!
