

## Senior Warden - Ministry Description

The senior warden is a member of the vestry who is appointed by the rector to serve for at least one year. “The primary role of the [senior] warden is to serve as the lay partner of the rector in articulating the mission and vision of the parish, managing its day-to-day operations, identifying and nurturing leaders, and empowering members of the congregation to live out the Gospel in their daily lives” ([ecfvp.org/vestry-papers/article/68/youre-a-new-warden-now-what](http://ecfvp.org/vestry-papers/article/68/youre-a-new-warden-now-what)).

Wardens have a special and public ministry, and must lead by example as faithful churchgoers and visible donors of time, talent and treasure. They must be willing to listen, able to delegate, and, above all, able to engender trust in relationships with the rector and the congregation ([ecfvp.org/vestry-papers/article/71/wardens-chief-stewards-and-servants](http://ecfvp.org/vestry-papers/article/71/wardens-chief-stewards-and-servants)).
