

Presbytery-wide Hunger Action Summit April 6

About three-fourths of our congregations are active in some form of hunger ministry, from food pantries to community meals. If your congregation is one of those, or would like to know more about how to engage in a local hunger ministry, a presbytery-wide summit will be held at Trinity United Presbyterian Church 5500 Lennon Rd. in Flint Township **Monday, April 6** from 3:00 – 4:30 p.m.

We hope to have present leaders from the Food Bank of Eastern Michigan and the ALICE project of the United Way to guide us in how we might best work collaboratively to address working poverty in our communities through hunger ministry.

The event will precede the “Moral Monday” rally in Flint scheduled for 5 p.m. featuring the Rev. William Barber and Dr. Liz Theoharis. Those coming to the summit are invited, but not required, to participate in the rally, which is part of the New Poor People’s Campaign.

Please notify Rose Onan at the Presbytery Office of your interest in attending.
