

Please join us [on September 4th, 2020](#) at the Phillips County Event Center. Haxtun Chamber along with Good Business Colorado will be hosting a round table event for all Colorado Residents. This round table event will cover paid family and medical leave insurance program. Paid family and medical leave (PFML) provides compensation for time off from work due to major life events such as the birth of a child, an employee's own serious illness, or the serious illness of an employee's loved one. It is different from Paid Time Off (PTO) such as flex, vacation, or paid sick days because it covers an extended time off. The purpose of the paid family and medical leave ballot initiative the study session is to increase dialogue and better understand the impacts of the proposed policy, as well as what Philips County business owners are currently doing when they or their employees need family and/or medical leave. The study session will walk event attendees through the various components of the proposed policy, and gather input on participants' perspectives on the policy as well as their personal experiences with paid leave to date.

First Session | [11 AM](#) | Lunch will be provided

Second Session | [6:30 PM](#) | Dinner provided by Happy Jacks.

This is a free event. Please RSVP by [August 31, 2020](#), to Jenn [970-467-0194](tel:970-467-0194)
