**LOCAL Cancels 2020 Summer Concert Series**

**Sterling, Colorado** – After 16 consecutive years of live music on the gazebo, Logan County courthouse square will be a little quieter on Fridays come this July. At the June 2<sup>nd</sup> board meeting, the Logan County Arts League unanimously agreed to cancel July Jamz for 2020, due the many uncertainties and public health safety concerns brought on by the COVID-19 pandemic.

“Like many other public event cancellations, this was not an easy decision to come to.”, according to July Jamz chair, Richard Ontiveros. “We waited till the last possible moment in hopes that enough restrictions were lifted to proceed with the Friday night concerts. Unfortunately, we could not make it happen.”

July Jamz is currently working on re-booking this year’s line-up for 2021 and is hoping to bring “live music” back to the community as soon as possible.
