

SUPPORT GROUPS FOR CAREGIVERS

Northern Colorado and Eastern

The Dementia Caregiver Support Groups meet on an ongoing basis and are for family or friends who have a loved one with Alzheimer’s disease or another form of dementia at any stage of the disease. The groups are facilitated by volunteers who are screened, trained, and supervised by the Alzheimer’s Association. Support Groups are a safe place to receive support for the difficult journey of dementia.

To participate: at the time the group begins,

1. Call 312.874.7636
2. Press 1 to enter the group
3. You will be asked to enter your “conference ID.” The ID for our group calls is 31968; *please note the ID for the group in Erie is 45526.*
