

JUNG KO TAEKWONDO MASK & PPE POLICY

This Policy has been developed further to the instructions of the Region's Medical Officer of Health issued on July 10, 2020 which requires businesses and organizations to develop a policy requiring anyone entering their premises to be wearing a Face Covering. A full copy of these instructions can be found at york.ca/mandatorymasks.

The Policy applies inside the premises of Jung Ko Taekwondo Academy (180 Steeles Ave W Unit 200, Thornhill ON Canada) which are open to the public and where customers interact with one another or staff members. It does not apply to outside of the premises.

For the purpose of this Policy, a "Face Covering" means a non-medical mask or face covering such as a bandana, scarf or cloth (including a hijab and niqab) that covers the mouth and nose.

All staff will use their best efforts to prevent anyone from entering the premises if the person is not wearing a Face Covering. If Jung Ko Taekwondo staff see a person entering the premises without a Face Covering, they will be advising the person of this requirement. All persons will be asked that they use the hand sanitizer before entering the premises and remind them of the need to maintain a distance of 6 feet from any other person.

The following individuals are exempt from the requirement of wearing a Face Covering:

- Children under 5 years of age
- Anyone who cannot wear a Face Covering because of a medical condition
- Anyone who cannot place or remove a Face Covering without assistance
- Anyone who refuses to wear a Face Covering based on any ground in the *Human Rights Code*.

If anyone states that they cannot wear a Face Covering because of any of the above reasons, we may accept their explanation and not require them to explain further or require proof.

If we see anyone in the premises who has removed their Face Covering for an extended period, they will be reminded that the Face Covering should be worn.

Note that Face Coverings may be removed temporarily for the following purposes:

- receiving services that would require temporary removal;
- consuming food or drink;
- for any emergency or medical purpose;
- while actively engaging in an athletic or fitness activity

Therefore, a Face Covering is **not** required for students while participating in the class. However, students will be required to wear Taekwondo shoes or grip socks while training, and use hand sanitizer before and after class.

Should you require additional information, please contact York Region Public Health at 1-800-361-5653). Visit york.ca/covid19 for additional information and resources.
