Pastors' reports

Visit with Wes. Wes shared that he has a desire to help with the men in the church, through ministry and just asked that we keep him in mind. He had some basic ideas which he shared. We encouraged him to continue to pray about baptism so that he can become a member and have the opportunities to serve in many ways.

Each of us reported on whom we had spoken with and any prayer requests, then we had a prayer time for those people and others in our church body.

Dave suggested we review our book next meeting due to the lateness of the day. Chapters 18-19 for next meeting.

Old Business:

Taylor will be doing sex offender list for next month and he will meet with the BOD at their June meeting.

Talked about communion and decided to continue with people coming forward for the elements for the next month or two and talk again when we feel we can start passing the plates as we did pre-Covid.

Mary Holdahl-. Her last day is the last Friday in May. Will plan a lunch after church, and have people share special things of how Mary has ministered to them. June 6 would probably work to do this.

New Business:

Summer calendar. Pastor Cory and Pastor Brandon shared the calendar (summer) of events that they had been planning and we went through a copy that calendar.

Pastor reported that the youth group from Neb will be here July 11-14. June 12<sup>th</sup> Men's Prayer Breakfast was planned.

Small groups for this summer Discussed how we hope to carry those out.

BOD Brandon will discuss Equip ministries monies.

Need to do interviews with several for membership.

Next meeting June 1, 2021

Motion to adjourn Dave, Cory 2<sup>nd</sup>.
