

## St. Jude Children's Research Hospital

*Finding cures. Saving children.*

### **What St. Jude Does**

Families never receive a bill from St. Jude for treatment, travel, housing or food because all a family should have to worry about is helping their child live. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago.
