

## **FIRE RESTRICTIONS** are in effect as of July 17, 2025

Due to very high fire danger, fire restrictions are in effect for the South Rim and all other areas of Grand Canyon National Park.

### **No Open Fires**

All wood burning and charcoal fires; including campfires, warming fires, and charcoal barbecues are prohibited. Only self-contained gas grills or stoves may be used.

### **No Smoking**

Smoking can only be done in an authorized building or enclosed vehicle. Smoking outside is prohibited across the park.

### **No Fireworks**

The use or possession of fireworks or other pyrotechnic devices is prohibited at all times of the year.
