BACK-TO-SCHOOL SUCCESS FOR STUDENTS WITH DISABILITIES

As a new school year begins, a little preparation can go a long way! This workshop will help parents and caregivers prepare students with disabilities for a successful return to school by exploring strategies for establishing routines, reviewing IEPs and 504 Plans, communicating with school staff, and ensuring supports are in place from the very first day. Participants will leave with practical tips and resources to help their child start the year with confidence.
