

Greetings:

I want to share exciting news with you! We are going to have open captioned (OC) movies at the Regal Theater in Poughkeepsie which is located at the Galleria Mall on Route 9. Instead of wearing glasses to get the captioned words - it will be right on the screen. It is awesome! I know that some folks attend the OC movies at the Nanuet theater (Rockland County). We thank you for driving to Nanuet but now you can attend a theater closer to home! The general manager of the Regal Poughkeepsie is excited with us having OC movies. It will be on Tuesday evenings around 7pm. You can purchase your tickets at the Regal theater or online with the Regal app on your phone. Just need to create an account with user ID and password.

We have a Facebook group - Deaf Entertainment Access Foundation. Please feel free to join this group. We also have a website: deafofcmovies.org . We post movies announcements and other events.

I will be the Location Team Leader representative for the Poughkeepsie location. We will host 1 to 2 movies a month. I will send movie announcements when they are being scheduled. You can also email movies that are of interest to me. We will try our best to accommodate these movies.

My email: j.byrnes@taconicresources.org .

Look forward to meeting you at the theater!

Regards,
Jeanine Byrnes
D.E.A.F. - Poughkeepsie Location Team Leader
