LUTHERAN FAITH COMMUNITY NURSE ASSOCIATION

LFCNA ANNUAL MEMBERSHIP MEETING

With free educational event

Being a Dementia Friendly Congregation – A program to transform your faith community

Presenter: Janice Greeno, MA, BA
Senior Outreach Program Manager, Banner Sun Health

Course Description: Dementia Friends is a global movement that is changing the way people think, act and talk about dementia. Learn the critical aspects to better understand dementia, how it affects people and how we each can make a difference in the lives of families. Attendees become Dementia Friends and are asked to turn their understanding of dementia into action, helping transform our communities.

Learning Objectives:

- Identify three physical, emotional and/or cognitive characteristics that are typically present when someone is experiencing dementia
- Name three ways that dementia affects the person with the disease and those who interact with them
- Articulate two strategies that one can employ to support the person with dementia and those who care for them.
