Survivors of Torture, International (SURVIVORS) contracts with licensed mental health professionals who are committed to our mission to:

- **Facilitate the healing of torture survivors and their families**
- **Educate professionals and the public about torture, and its consequences**
- **Advocate for the abolition of torture**

Contractors accept clients for services on a case-by-case basis. Some contractors may only have time for one client, while others may provide services for several at a time. You choose your availability! Can be provided at our office, in-home or your office.

Our contracted therapists reduce the effects of torture for our clients, facilitate healing, and are critical in the success of their asylum cases!

Compensation:

Therapy (individual, family or group)	\$45/hour
Psychological Evaluation (detained client)	\$500/evaluation
Psychological Evaluation (non-detained client)	\$400/evaluation

We provide professional interpreters to work with you.
