

Robots Club at Assumption

Team activities are done for the year but Club is for boys and girls grades 3-7th that are interested in developing team work, coding and building skills necessary to join a team next fall. Team members that want to improve their skills should join in the fun.

Meeting Information:

3:15 - to 5:00 in the Makerspace room.

January Session : Jan 9, 16, 23, 30, Feb 6

Program Cost: \$125 for 5 sessions

Limited to 20 students, first come, first serve.

Mrs. Shea moderate the club. Parents are encouraged to support the Robotics legacy at Assumption by coming to learn how they can support the students on a team.

Checks should be written to Assumption Catholic School. Email Mrs. Shea with any questions at dshea@oloaffld.org.

January Session : Jan 9, 16, 23, 30, Feb 6
