Shelley Kenow is a Special Education Consultant, licensed Special Education Teacher, best-selling Author, podcast host, Master IEP Coach®, Speaker, and entrepreneur. She has been in the field of special education for over 30 years.

She has written hundreds, if not thousands, of Individualized Education Programs (IEP), and led as many or more IEP meetings. She has trained thousands of teachers, parents, therapists, and administrators on Leveling Up the IEP, Understanding Behaviors, and truly collaborating as an IEP team member with everyone at the table.

Shelley believes that we know who we are, but not who we will be. With that in mind, she believes it is crucial for all those involved in writing the IEP to have a positive outlook for students and to focus on their abilities rather than their disabilities.
