Subject: Flu Vaccinations

The Department of Corrections would like to remind all AICs that getting the flu vaccine is safe and easy—and the best way to protect ourselves and others from the flu. The vaccine is especially important this year, with COVID-19 making more people sick.

The flu is a serious illness. By getting your annual flu vaccine, you are doing your part to keep yourself and those around you healthy—especially older people, people in congregate care, and those with chronic diseases.

The flu vaccine is available to all AICs, takes only a few minutes to get, and is safe and effective. It cannot give you the flu. DOC Health Services will provide the vaccine to any AIC interested in receiving it. Each AIC will be called out and asked to accept or decline the shot.

It's also important to get the vaccine every year because the flu virus changes from year to year. Each year, the vaccine is updated to target the strains of the virus that are most likely to get us sick. You can also get the flu vaccine at the same time as a COVID-19 vaccine or booster.

Para: Todos los adultos bajo custodia

Asunto: Vacunas contra la gripe

El Departamento Correccional desea recordar a todos los AIC que vacunarse contra la influenza es seguro y fácil, y la mejor manera de protegernos a nosotros mismos y a los demás de la influenza. La vacuna es especialmente importante este año, ya que el COVID-19 está enfermando a más personas.

La gripe es una enfermedad grave. Al recibir su vacuna anual contra la influenza, está haciendo su parte para mantenerse saludable y mantener saludables a quienes lo rodean, especialmente a las personas mayores, las personas en cuidado colectivo y las personas con enfermedades crónicas.

La vacuna contra la influenza está disponible para todos los AIC, toma solo unos minutos y es segura y efectiva. No puede darte la gripe. DOC Health Services proporcionará la vacuna a cualquier AIC interesado en recibirla. Se llamará a cada AIC y se le pedirá que acepte o rechace el tiro.

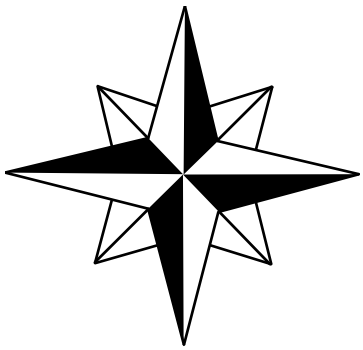

También es importante vacunarse todos los años porque el virus de la gripe cambia de un año a otro. Cada año, la vacuna se actualiza para atacar las cepas del virus que tienen más probabilidades de enfermarnos. También puede recibir la vacuna contra la influenza al mismo tiempo que una vacuna o un refuerzo contra el COVID-19.

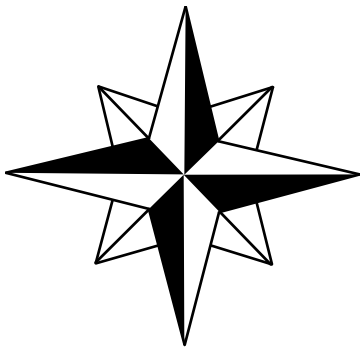

Want to learn new ways to live?

GP Outreach is here to help you make progress toward a positive and fulfilling life. Sign up for GP outreach and get a taste of what A.I.P. can do for you.

Be on the lookout for the G.P. Outreach Sign Up Sheets on your unit. If you miss the Sign Up Sheet, please send a communication to Ms. Bigler to be added to the list.

Here's what a G.P. Committee member has to say

The dictionary defines legacy as something that has come from a predecessor or the past.

I do not want to be defined by how I put myself in prison, but rather what I did with myself to change while I was here. The past is the past, it is how we are where we are right this moment. I've worked very hard over the years and from day one in this program to totally change into a new version of myself. This new version of myself is full of self-confidence, integrity, trust, honesty, and respect. This build is never ending and on-going day in and day out. When I walk out these gates, I want the world to see all this. These things are also very important for my minions to see and learn. This is the work that lies ahead of me in everyday life, how could life get any better than sharing time with family and always doing the right thing for the right reason. So, to my fellow peers take the time to look at yourself and figure out what you want in your life and for your life. It's all here and its your time, find change a challenge and go after it. What can it hurt to try something new that can lead you to having total control of your life?

Remember: you can never go wrong by being grateful.

En Passant

As we continue to move toward normal operations and bringing back classes and activities for the AICs, we are excited to announce that PRCF will be offering AIC's the opportunity to learn how to play chess and participate in skill-building exercises that pertain to the game of chess. Starting in October, interested AICs will be placed on a callout to spend a few hours a week playing and studying chess. Boards, pieces, and clocks have been purchased and will be provided. Additionally, weekly puzzles will be posted for participants to learn and improve their skills. This opportunity is limited to the first 20 AICs, with a waitlist maintained for additional AICs as openings occur. AICs must be incentive level 3 to participate. If you would like to be considered, please send a communication to Officer Endersby.

Bunk Moves, assignments and relocation for PRCF:

1. Approval for a Bunk Move will be considered after the reviewing and substantiation of the following criteria for all requests:

    a. Must have been housed at PRCF for more than 90 days.
    b. Your window for AIP must be more than 6 months out.
    c. You may not have received a misconduct report or a program failure in the prior 6 months
    d. No Daily Failures or Conduct Orders in the last 90 days.
    e. No verbal warnings in the last 30 days.
    f. One bunk move may be granted in a 1 year period of time.
    g. Must have a minimum 1 year left on sentence.
    Note: you may request a specific bunk, but this may make it more difficult to accommodate a move, as moves will be on first come first serve order. If you turn down a bunk move you may resubmit after 60 days.

2. The Process:

    a. All requests will be submitted using the **Bunk Move Request** form (Attachment A) to the 3rd Shift Sgt.
    b. The 3rd Shift Sergeant will screen requests to eliminate those inmates failing to meet general criteria as listed above. Inmates failing to meet the criteria will receive a denial notice on the "Request Approved/Denied" portion of the **Bunk Move Request** form.
    c. The 3rd Shift Sergeant will create a list of qualified inmates requesting bunk moves that is updated daily. This list will be forwarded to the Control Center where the list will be maintained for daily reference.
    d. After the 3rd Shift OIC approves a move, Control Center and the affected housing units will be notified prior to the move taking place. Control Center and Housing Unit staff will both reflect the move in their records.
    e. The inmate will be notified of the bunk change and immediately move to his new bunk.

AIC Newsletter Article – 2022

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are located in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:
3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

Visualización/Anuncios de género opuesto

El personal del género opuesto se anunciará cuando ingresa a una unidad de vivienda, tocando un timbre. Esto debe hacerse cada vez que cambie el statu quo de la supervisión de género en una unidad de vivienda (si ya hay un miembro del personal del sexo opuesto en la unidad, entonces no es necesario volver a anunciar). Cuando escuche el timbre, el personal del sexo opuesto estará ingresando a la unidad de vivienda, así que asegúrese de estar cubierto adecuadamente.

También es importante que se desnude en los lugares apropiados. Si se encuentra en un área de literas, hay cámaras en toda la instalación. Existen áreas designadas para cambiarse, el baño es la única área en la que puede estar sin ropa interior. La visualización de sexo opuesto puede ocurrir incidentalmente cuando el personal realiza controles de celda de rutina. Puede minimizar esto siendo consciente del género de la supervisión en su unidad de vivienda y asegurándose de cubrirse cuando sea posible.

Programa de defensa (apoyo) basado en la comunidad PREA

ODOC se ha asociado con defensores confidenciales basados en la comunidad de víctimas de abuso sexual para brindar servicios a los AIC.

Los AIC en ODOC que han pasado por abuso sexual pueden comunicarse con un defensor comunitario seleccionando un idioma, ingresando su PIN de AIC, luego presionando 0*711 sistemas telefónicos. También pueden solicitar una llamada privada a través del Gerente de Cumplimiento de PREA en la instalación. Los defensores brindan a las víctimas de abuso sexual información sobre sus opciones, recursos, y apoyo emocional. No hay ningún cargo por las llamadas a los defensores.

La línea de crisis de defensa basada en la comunidad es para personas que necesitan ayuda acerca de los problemas relacionados con el abuso sexual y no debe usarse para otros fines.

Las llamadas telefónicas y el correo con los centros de defensa basados en la comunidad se consideran comunicaciones privilegiadas y se manejarán de manera similar a las llamadas legales/ correo oficial. Todas las llamadas de defensa no son monitoreadas ni grabadas.

Los defensores brindan apoyo confidencial e intervención en crisis, le informaran sobre la investigación y el proceso del examen médico, lo educaran sobre cómo curarse del abuso sexual y ofrecen recursos y referencias.

Los defensores no le dirán qué hacer, no se comunicarán con la institución a menos de que usted les solicite que lo hagan y firmen un comunicado. No le brindarán asesoramiento legal.

Los centros de defensa basados en la comunidad brindaran apoyo en caso de abuso sexual a personas de todos los géneros. Los defensores comunitarios no informarán a nadie a menos de que usted les solicite que lo hagan y si usted firma una divulgación de información.
