## SRCI MAIL ROOM NEWSLETTER

**OUTGOING MAIL**

Can you help the process of your outgoing mail?
Yes, you can! By being mindful of which mailbox you place your mail in will help us process your mail more efficiently. The left mail slot on the cabinet is for #10 envelopes only. The metal mailbox next to the cabinet is for Large Envelopes, Card Envelopes, Priority Flat Rate Envelopes, and International Envelopes those envelopes are stamped POSTAGE PAID. Envelopes with a USPS Special Handling request go in the correct box for that envelope.

**AIC COMMUNICATIONS**

When we sort Kytes, there are a few things you can do to help this process.
Your KYTE goes in the right slot of the cabinet. Fold your KYTE in half, fold on the dotted line. KYTES folded multiple times or incorrectly may not be processed. On your KYTE, include your housing unit, SID# and the box number of the department or the name of the staff member clearly, so it can be routed appropriately.
Envelopes with a CD-28 requesting a check from the Business Office go in the KYTE slot on the right slot of the cabinet.

**INCOMING MAIL**

As the holiday seasons are approaching, here are somethings to help your mail get processed more efficiently.
By informing your family member(s)/friends of some of the prohibited items, it will prevent mail from being violated and returned to sender. Some of the prohibited items are listed below,

- Cards with glitter, string, ribbon, foam, plastic, gems, batteries (music cards), or metal are not allowed.
- Crayon, lipstick, white out, paint, watercolors and stickers
- Mail cannot exceed a ¼ inch thick, this includes envelope and its content. There is no limit on the number of photos that can be received, however, the envelope and contents must fall within the ¼ inch thickness.
- The outside of the incoming envelope must clearly have the return address with complete name, not just Mom or Dad. No stickers, nor excessive tape. Return labels are allowed. Your information must be clearly written on the front of the envelope and must match your legal court name and SID#.

**BOOKS**

A reminder, all publications received must come directly from a Distributor. Below are some prohibited items concerning books:

- No metal binding
- No journals containing pockets
- No drawing pads/sketch books
- CD's

**Anything allowed to be purchased from Canteen is prohibited. Please check the Canteen list before ordering from an outside source.*

***IMPORTANT*: All mail/publications/magazines must clearly have your legal court name and SID #.**
**Your family member(s)/friends may also refer to the Oregon DOC Website to obtain all the rules regarding Mail.**

## GED & BCT Graduation 2022

It is time for the GED & BCT Programs graduation ceremony! If you have completed either of these programs between 10/01/20 and 09/16/2022, you will receive a personal invitation with details, times and a request for information from you. Please be sure to complete and return the form as soon as possible so we can begin preparations for the celebration.

The graduation will be on Monday, October 17th, 2022, in the Medium Visiting Center. Each graduate is allowed two outside guests - guests must be on your visiting list and must have privileged visiting approval.

If you do not receive an invitation by September 23rd and you believe you should have, please send an AIC Communication to Ms. Renk, Complex 2 Education Box B334. For those who completed their GED at another institution within the last year, but were unable to attend a graduation ceremony, please notify Ms. Renk by October 1st of your wish to attend - verification will be done that you have not previously attended a graduation and you may be approved to attend this ceremony.

Congratulations to all graduates!

## T4C STM Programming Communication

Soon, randomly selected AIC's who are actively on an STM caseload will be expected to both participate in and complete the cognitive and behavioral program "Thinking for A Change" (T4C). This programming will be conducted twice weekly with a new Facilitator Ms. Grendahl. This program is not associated with BHS in any way. The goal of this programming is to help create a change in both thinking and behavior for those on the STM caseload. Once selected into T4C, the expectation is to complete the programming which will last approximately (15 weeks). In the future, this programming will be used for AIC's who are releasing or recently released from Intensive Management Unit (IMU) or who are predicated on the caseload via the Risk Associated with Segregation Placement (RASP).
