### **Yard Notice**

Please continue to practice Social Distancing (at least 3 feet, ideally 6 feet) while walking or running on track. No group activities such as; Volleyball, Basketball Games, Soccer, and Football.

### **Pastry Notice**

The next pastry is TBA. It is 2 tickets for 6 cookies with a Max of 12 tickets for 36 cookies. The box will be picked up on Monday June 8th, at 8:20am. Your pick up day will be Wednesday June 17th, GP 10:15am to 10:30am and Programmers 10:30am to 10:45am in Admin.

Butter Horns will be picked up on Wednesday June 3rd, GP 10:15am to 10:30am and Programmers 10:30am to 10:45am in Admin.

### **Safety Notice**

AIC's must use safety glasses and rubber gloves while using disinfectant #710

### **Business Services Update**

Until further notice, please submit all AIC communications (kytes) to Business Services in paper form; not electronically

### **Yard Line Notice**

Starting Monday morning the institution will be going to yard lines until the (COVID) pandemic has passed. Each unit will get yard 3 times a day. The schedule is located on the next page and on notice boards in your unit.

### **Ticket Notice**

There will be No ticket sales or pick up the weeks of: May 29th, and June 12th. So please plan to order your tickets around these weeks.

## Lifting LOP

LOP will be Lifted on the upcoming Memorial Day, Monday, May 25th.  
lifted times are from 5:30 am to 9:50 pm

## Holiday Visiting Reminder

Will be Closed do to (COVID-19), Monday May 25th.

## Message from Admin

PRCF will close the Mail room & Business office for Monday, May 25th.

## **IF YOU ARE TAKING THE PRESCRIPTION RANITIDINE - PLEASE READ THIS MESSAGE**

On April 1, 2020 the U.S. Food and Drug Administration (FDA) requested the prescription drug called ranitidine be removed from the market. Ranitidine (brand name Zantac®) can be both a prescription or an over-the-counter drug. It is most commonly used for treatment of acid reflux, indigestion, and upset stomach. The FDA is concerned that if the drug is stored incorrectly, it could break down into contaminants which may cause cancer.

The Food and Drug Administration is recommending anyone taking ranitidine to stop doing so, and this medication is expected to be removed from the market shortly.

If you are taking ranitidine, you may return it to Health Services and it will be replaced with famotidine (brand name Pepcid®), which is similar to ranitidine. If you have further concerns, please send a kytic to your medical provider.

---

## **Novel Coronavirus (COVID-19)**

### **What can YOU do?**

- Wash your hands often with soap and water **for at least 20 seconds**, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay in your cell or housing unit when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect your personal area frequently.

### **So, what are the FACTS? (from the Centers for Disease Control and Prevention)**

- There is presently no vaccine for COVID-19.
- There is no specific-antiviral cure for COVID-19.
- Symptom relief, close medical monitoring, and standard precautions are the standard-of-care.
- The coronavirus is spread through the air by coughing and sneezing, touching an object or surface with the virus on it, then touching your mouth, nose, or eyes.

As with any health condition, **YOU** are the best person to take care of **YOUR** health! If you think you may have been exposed to COVID-19, please contact Health Services immediately.

---

The **DOC Education and Training Unit** is committed to getting regular education programming back in place as soon Governor Kate Brown lifts the State of Emergency, Executive Order 20-03 which was issued in response to the Novel Coronavirus (COVID-19) in Oregon.

As you may already know, the DOC restricted volunteer and contractor access into the institutions on March 12 in order to minimize the impact of the COVID-19 virus on staff and the AIC population. This restriction is still in effect.

Thank you for your patience with this matter, we know that education and training is extremely important to each of you and we appreciate your patience during this pandemic.

# Video Game Notice

We are noticing an increase in damaged controllers on the Video games. If this continues we will remove the Video games from the units. Please be mindful of how you are using the equipment as it being on the unit and free is a privilege. Also this is a AIC sponsored program.

Pre Admin

---

## ODOC HEALTH SERVICES COVID-19 FAQ

### What is coronavirus disease 2019 (COVID-19)?

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. The virus that causes COVID-19 is a novel coronavirus that was first identified during an investigation into an outbreak in Wuhan, China.

### How does COVID-19 spread?

The virus that causes COVID-19 likely emerged from an animal source but is now spreading from person to person. The virus is thought to spread mainly between people who are in close contact with one another through respiratory droplets produced when an infected person coughs or sneezes. It also may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes – but this is not thought to be the main way the virus spreads.

### What are the symptoms of COVID-19?

Patients with COVID-19 can have mild to severe respiratory illness often associated with flu-like symptoms:

- fever and/or chills
- cough
- shortness of breath
- body aches
- decreased appetite

Please report any respiratory symptoms promptly to Health Services. Ask your unit officer to call the Clinic ASAP. Please do not wait to report your symptoms via an AIC Communication.

### Who is at a higher risk for severe illness from COVID-19?

COVID-19 is a new disease, and there is limited information regarding risk factors for severe disease.”

Based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19.

## ODOC HEALTH SERVICES COVID-19 FAQ

### How can I help protect myself from COVID-19?

People can help protect themselves from respiratory illness with everyday preventive actions.

- Follow social distancing advice and avoid being in close contact, if possible, with those that are ill.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds.

### Is there a vaccine for COVID-19?

There is currently no vaccine to protect against COVID-19. The best way to prevent infection is to take everyday preventive actions, like avoiding close contact with people who are sick and washing your hands often.

### Is there a treatment for COVID-19?

There is no specific antiviral treatment for COVID-19. People with COVID-19 can seek medical care to help relieve symptoms. There are drugs under scientific investigation, however.

### How is ODOC Health Services ensuring I am staying safe during the COVID-19 pandemic?

Health Services has taken an active role in teaching adults in custody and staff about the importance of hygiene and social distancing and the role we all play in keeping us all safe and healthy. Health Services has also changed how they provide routine health care services. Provider clinics, medication lines, and the provision of nursing care has been modified to reduce the risk of coronavirus transmission. Most importantly, Health Services is committed to continually assessing our patient health care needs and modifying operations to ensure all adults in custody receive timely and safe health care services during the pandemic.

## OREGON DEPARTMENT OF CORRECTIONS

April 24, 2020

To: Adults in Custody

From: DOC Agency Operations Center

Effective immediately, all individuals entering and occupying any DOC Health Services areas are required to wear a utility mask. These utility masks are the cloth masks provided to you by DOC. If you do not have a utility mask, please check with your unit officer. Remember to wash your hands before putting the mask on your face.

- DOC staff are required to wear masks in all Health Services, including Behavioral Health Services (BHS) appointments.
- AICs arriving at Medical Health Services without a mask will be denied access.
- AICs going to BHS are strongly encouraged to wear masks but will not be denied access without one.

This new directive is for your safety. Research shows that the coronavirus/COVID-19 can spread between people interacting in close proximity—for example, speaking, coughing, or sneezing—even if those people don't have symptoms.

Thank you for your cooperation.

# New STTL Information

- The Department of Corrections is operating the STTL program as usual. There have been **no changes to approval criteria or processes.**
- One of the key criteria for STTL participation is approved housing.
- All AICs releasing to a personal address (non-shelter or transition bed), should see no interruption in their release to STTL.
- A few counties are experiencing a sharp decline in the availability of **shelter/transitional/ subsidy housing beds** as their housing providers are attempting to manage social distancing to prevent the spread of the virus. This includes attempts to operate at 50% capacity and not accepting new intakes. **This impacts STTL as the AIC must have an approved address prior to release.**
- If you have been previously approved for STTL and you were planning to release to shelter/ transitional/ subsidy housing, **YOUR STTL MAY BE CANCELED**. You will be notified as soon as DOC receives word of the cancelation. Please do not ask for someone to see if your STTL will be canceled. We will not know until the county notifies us.

---

## Unlocking MP4 Players Upon Release

Many of you have been asking how you can unlock your MP4 players after you release. We reached out to Access Corrections and they send us the following:

Please send us your old DOC# and the facility's name. Also, please provide the name and full address to where the player will be sent. It must be a physical address. We are unable to deliver to PO boxes. We will ship to the address that you listed. Once we receive the address, we will create a Return Authorization Number (RA#) and provide that number to you.

Then send the following to Access Corrections.

1. Cashier's Check or Money Order of \$25.00 payable to "Access Corrections".
2. Name and Full Address (Must be physical address, we are unable to deliver to PO boxes), and telephone number. This is to confirm the address provided.
3. The RA#.
4. The player to be unlocked.

Please send the player to;

Access Corrections  
10880 LinPage Place  
Saint Louis, MO 63132.

**You must send your payment, form, and player via a carrier or service which requires a delivery acceptance signature. We cannot be responsible for player not received if the sender cannot provide proof of delivery acceptance.**

## OREGON DEPARTMENT OF CORRECTIONS

Oregon Department of Corrections 3/26/2020

### VISITING SERVICES STILL PROCESSING APPLICATIONS – APPLY TODAY!

Following the State of Emergency issued in response to the novel corona virus (COVID-19) in Oregon, visitation has been suspended at all Department of Corrections (DOC) institutions. **However, DOC's Visiting Services remains open and working hard to process visiting applications for you and your loved ones.**

Waiting to submit applications until visitation has resumed could result in a delay. **Now is the time to get applications submitted.**

- Encourage family and friends to submit online applications.
- You may also submit applications directly to the Visitor and Volunteer Services Unit for processing.

We recognize the importance of family connections and are working hard to ensure applications are being processed in a timely manner.

J. Ferguson, Visiting and Volunteer Services Manager

## OREGON DEPARTMENT OF CORRECTIONS

April 30, 2020

To all adults in custody,

This is to inform you DOC's telephone service provider, GTL/Telmate, has re-evaluated their current offer of two (2) free 5-minute phone calls per AIC per week. Starting May 4, 2020, GTL/Telmate has elected the free call allowance will become one (1) call per AIC per week until May 17, 2020, at which time they may re-evaluate the offer.

If you have questions or concerns, have friends and family contact GTL/Telmate at (866) 516-0115, or write to:

Telmate, LLC  
PO Box 1137  
Fruitland, ID 83619

# OREGON DEPARTMENT OF CORRECTIONS

For your safety, DOC's Agency Operations Center (AOC) has directed all incoming and outgoing mail be quarantined for a minimum of 24 hours before processing.

Mailroom employees wear appropriate PPE when caring for mailroom operations.

Additionally, local library books – those used on housing unit book shelves – will not be returned to the bookshelf by adults in custody (AICs). Rather, library books will be returned to a mail tub located at the Officers' Station.

These books will be quarantined for 24 hours before being placed back into circulation by the AIC librarian.

## FINANCIAL SERVICES UPDATE

### Processing NSF Requests for Withdrawal forms (CD28s / CD28Ps)

Effective immediately, Business Services will no longer reprocess Requests for Withdrawal forms (CD28/CD28Ps) that have been previously returned unprocessed due to an AIC having non-sufficient funds (NSF) in their trust account. If an AIC will be allowed to pay for products or services after a request for withdrawal is returned NSF, the AIC will need to resubmit a **new** request.

Per OAR 291 Div. 158, the Department will return any Withdrawal Request form (CD28/CD28P) if the AIC lacks sufficient funds for the requested withdrawal amount, unless the AIC is specifically authorized to incur a debt in connection with the requested withdrawal.

AICs with questions regarding this matter may contact Business Services.

## **Prison Rape Elimination Act (PREA Information)**

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an inmate communication, through the grievance system, by calling the PREA hotline by dialing 9 from any inmate phone.

### **Filing an Anonymous PREA Report**

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Office of Constituent Services  
900 Court Street NE, Suite 160  
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

### **Community-Based PREA Advocacy (Support) Program**

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to inmates.

Inmates at ODOC who have experienced sexual abuse may reach a community-based advocate by dialing 711 inmate telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

Role of an Advocate:

- ❖ Provide confidential support and crisis intervention
- ❖ Inform you about the investigation and medical examination process
- ❖ Educate you about healing from sexual abuse
- ❖ Offer resources and referrals

Advocates will:

- ❖ Not tell you what to do
- ❖ Not communicate with the institution unless you request them to do so and sign a release
- ❖ Not provide legal advice

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters  
3325 Wilshire Blvd., Suite 340  
Los Angeles, CA 90010

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail.

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

E. Sage, PREA Coordinator  
Oregon Department of Corrections  
2575 Center St.NE  
Salem, Oregon 97301

# ODOC HEALTH SERVICES FAQ

## WHAT IS A PANDEMIC?

A pandemic is a global outbreak of disease. Pandemics happen when a new virus begins to infect people and can spread between people sustainably. Because people have little to no immunity against the new virus, it spreads worldwide.

On March 11th, the COVID-19 outbreak was characterized as a pandemic by the WHO.

Pandemics progress in an orderly but disruptive manner. There are many factors which affect the progression of a pandemic (e.g. social distancing, health care availability, etc.). Different countries can be in different phases of the pandemic at any point in time and different parts of the same country can also be in different phases of a pandemic.

## HOW DID COVID-19 DEVELOP?

COVID-19 is caused by a new coronavirus. Coronaviruses are a large family of viruses that are common in people and many different species of animals, including camels, cattle, cats, and bats. Rarely, animal coronaviruses can infect people and then spread between people, but it can happen. This has happened in the past with MERS (Middle Eastern Respiratory Syndrome), SARS (Severe Acute Respiratory Syndrome), and now with this new virus, COVID-19.

The genetic profile of the COVID-19 virus taken from U.S. patients is like the one that China initially reported and leads researchers to believe that this virus came from an animal, specifically a bat. Bats are also believed to be the source of MERS and SARS.

Pandemics are not new. They don't happen frequently, but they do occur. In the past century, there have been four pandemics caused by the emergence of new influenza (flu) viruses. This is the first pandemic known to be caused by a new coronavirus (COVID-19).

## HOW SICK DOES COVID-19 MAKE PEOPLE?

How sick people get when infected with COVID-19 is not completely known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. Information so far suggests that the majority of COVID-19 illnesses are mild. How sick a person will become when infected can vary depending on their age, immune system function, underlying health conditions and general overall health. As you have seen in the news, the elderly (over age 65) have been more affected by COVID-19 than younger people. People with serious underlying medical conditions — like serious heart conditions, chronic lung disease, and diabetes, for example — also seem to be at higher risk of developing serious COVID-19 illness. Serious illness is estimated to be around 20% of all COVID-19 patients, but it is difficult to tell exactly what percentage of people will become seriously ill with any certainty. COVID-19 and the health complications it causes for patients is very new to health care providers. Health care providers are still learning how the virus behaves and what treatments are most effective and over time the hope is that the more that is learned about COVID-19 will result in fewer people becoming seriously ill.

# ODOC HEALTH SERVICES FAQ

## WHAT IS THE DIFFERENCE BETWEEN QUARANTINE AND ISOLATION?

Quarantine is used to keep someone who might have been exposed to COVID-19 away from others to help limit the spread. Someone in quarantine stays separated from others, and they limit movement outside of their current place. A person may have been exposed to the virus without knowing it (e.g., when traveling out in the community), or they could have the virus without feeling symptoms.

Isolation is used to separate sick people from healthy people. People who are in isolation should stay separate from others. Anyone with suspected or confirmed COVID-19 infection should separate themselves from others by staying in a specific “sick” area and use a different bathroom (if possible).

Isolation is not punishment. Isolation is the only way we currently can prevent uninfected people from becoming infected. Without isolation an infected person could potentially make everyone around them sick.

## HOW CAN I REDUCE MY RISK OF BECOMING INFECTED WITH COVID-19?

Practice good hygiene:

- Wash your hands, especially after touching any frequently used item or surface
- Avoid touching your face
- Sneeze or cough into a tissue, or the inside of your elbow.
- Disinfect frequently used items and surfaces as much as possible.

Wear your utility mask any time you are outside your cell.

Avoid social gatherings.

## HOW DOES ONE SAFELY STERILIZE/CLEAN A CLOTH FACE COVERING?

A washing machine should suffice in properly washing a face covering.

## HOW DOES ONE SAFELY REMOVED A USED CLOTH FACE COVERING?

Individuals should be careful not to touch their eyes, nose, and mouth when removing their face covering and wash hands immediately after removing.

## HOW CAN I HELP MYSELF STAY AS HEALTHY AS POSSIBLE IF I AM DIAGNOSED WITH COVID-19?

- Drink plenty of fluids
- Stay active = Sit at the edge of your bed / Walk around your room frequently
- Perform deep breathing exercises
- Take all prescribed medications
- Keep a positive attitude
- Communicate any change in your condition to Health Services staff immediately

CDC. (2020). Coronavirus (COVID-19). Retrieved April 15, 2020, from <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>.

# OREGON DEPARTMENT OF CORRECTIONS

## Change of Correctional Communication Systems Vendor

DOC is currently in the process of transitioning the correctional communication system (phones, video kiosks, and tablets) to our new vendor, CenturyLink. This project will be completed in multiple steps.

### Step 1: Upgrade the phones in all facilities.

In this step there will be no change in service provider. Telmate/GTL will still provide all services.

### Step 2: Change out of Video Stations, Tablets, and Network

In this step, services will be changed from Telmate/GTL to CenturyLink.

This process will be staggered across the facilities (not every facility will transition on the same date).

Each facility will be cutover as soon as the equipment installation at that location has been completed.

The planned schedule for the change to CenturyLink is;

Week 1: DRCI, CRCI

Week 2: SFFC, OSP, TRCI

Week 3: EOCI, SCI, MCCF, OSCI, SCCI

Week 4: WCCF, SRCI, PRCF, CCCF

Please keep in mind this schedule is subject to change. Week 1 is set to start Wednesday, June 3, 2020.

## Important information about the change to CenturyLink

- The funds on your Telmate/GTL account at the time your facility changes to CenturyLink will automatically transition to your new account with CenturyLink.
- The funds that your friends and family have with Telmate/GTL will not transition to CenturyLink.
- Friends and family members will need to contact Telmate/GTL directly at 1-866-516-0115 to request a refund of any remaining balance on their accounts.
- The messages, photos, and contact information from your Telmate account will not transition to CenturyLink. If you have photos you would like to be saved, contact one of your friends or family members and request they make copies through their Getting Out Telmate/GTL account.
- Friends and family members should monitor the ODOC website or social media accounts for updated information regarding the new vendor. This will include a link to the CenturyLink website: [https://www.centurylinkcorrections.com/facilities/or\\_doc.html](https://www.centurylinkcorrections.com/facilities/or_doc.html), where they can register an account, make deposits, find call and messaging rates, etc.
- Friends and family registration is not currently available. We anticipate the registration be available May 21, 2020, but is subject to change. If the date changes, it will be announced on CenturyLink's website and ODOC's social media pages. Friends and family can register their accounts before your facility is set to transition.
- More information regarding MP3/MP4 devices is coming soon.

# OREGON DEPARTMENT OF CORRECTIONS

- Friends and family members should monitor the ODOC website or social media accounts for updated information regarding the new vendor. This will include a link to the CenturyLink web site: [https://www.centurylinkcorrections.com/facilities/or\\_doc.html](https://www.centurylinkcorrections.com/facilities/or_doc.html), where they can register an account, make deposits, find call and messaging rates, etc.
- Friends and family registration is not currently available. We anticipate the registration be available May 21, 2020, but is subject to change. If the date changes, it will be announced on CenturyLink's website and ODOC's social media pages. Friends and family can register their accounts before your facility is set to transition.
- More information regarding MP3/MP4 devices is coming soon.

We are aware this will be a significant change, but we are doing everything possible to minimize the impact this will have on your communication with your friends and family members. We believe this change will come with a lot of value, including the discounted calling rates listed below.

Rates*	
Domestic Calls	\$0.09 per minute
International Calls	\$0.20 per minute
Video Calls	\$5.88 per session (28 min session)
Tablet Usage (ODOC designated educational forms and ordering)	Free
Tablet Usage (entertainment)	\$0.04 per min.
Tablet Usage (messaging)	\$0.25 per msg (8,000 char max)
F&F Message/Photo sent	\$0.25 per msg or photo (8,000 char max)
F&F Voicemail	\$0.50 per voicemail

\*Prices include taxes and fees

Further information regarding how to use the new services will be provided to you soon.

**State of Oregon  
Department of Corrections Commissary**

**Date:** Thursday, May 21, 2020  
**To:** Adults in Custody  
**From:** Anita Nelson, Distribution Services Statewide Manager  
**Subject:** Commissary News, Updates and Reminders

**Commissary News:**

Good news, effective immediately the 30-line item limit has been lifted.

**Reminders:**

Any orders submitted for suspended items during this period will be cancelled. Normal sale of these items will resume beginning June 29, 2020.

**Please DO NOT contact Telmate with questions  
about suspended items.**

# Corban University New Four Year College Degree Program

Oregon Department of Corrections, Corban University and Paid In Full Oregon have partnered to bring a four year Bachelor of Science degree program to the Oregon State Correctional Institution. Corban University is a private Christian university in Salem, Oregon, accredited by the Northwest Commission of Colleges and Universities. Paid In Full Oregon is a non-profit organization founded with the purpose of partnering with DOC and Corban University “to provide inmates a fully accredited bachelor’s degree. Paid In Full Oregon is raising all the funds for this program. There will be no cost to students. The graduates will earn a Bachelor of Science in Liberal Arts with an emphasis in Psychology, Social Service, and Leadership. This program is about transforming lives. Graduates will not remain at OSCI, rather they will be sent to other institutions to serve as mentors to others.

Twenty five students will be enrolled each year, for a maximum capacity of 100 students. Adults in custody will be transferred to OSCI from other institutions if accepted into the program. The new term is tentatively scheduled to start late August, 2020. This is a voluntary program. The minimum requirements are:

- Minimum of eight years left on sentence at time of enrollment.
- Non-Cash Incentive Level of 3. Level 2s may be considered with institution review and approval, on a case by case basis.
- High school diploma or equivalent.
- Minimum CASAS scores: Math – 236, Reading – 242.
- Completed application
- Agreement to mentor others upon completion of degree.

**We are now accepting applications.** If you meet the basic criteria listed above and wish to enroll in this program, send an Inmate Communication form to Ms. Norton, Education Manager, DOC Education, 3405 Deer Park Dr. SE-Res 1, Salem, OR, 97310. The Education staff will ensure you meet the basic criteria and then send you an enrollment application with directions on how to proceed. **Completed applications must be returned to Ms. Norton no later than July 1, 2020.**

From: OSCI Administration, Corban University, DOC Education section.

# IWP Positions

## OCE Work Opportunity

The OCE Call Center at WCCF is recruiting to fill open positions. The current schedule is Monday – Friday, 7:15 – 3:30. This position awards PRAS points with the opportunity to earn a Team Goal Award and a production-based Individual Meritorious Award as well. Agents in this out-bound contact center perform lead generation calls. The agents must be motivated and able to maintain a professional attitude at all times.

All applicants must meet the following qualifications:

- **Must qualify for a Minimum Custody Institution (Level 1 or 2)**
- **Must have a valid social security number or equivalent**
- Have NO convictions for ID Theft or Computer related crimes
- Be able to read proficiently and speak English language clearly
- Be able to work efficiently and professionally at all times
- Cannot be in any programs/activities which would conflict with a Monday – Friday 7:15 am. to 3:30 pm. work week

# SEASONAL RECRUITMENT Adults in Custody Fire Team

Do you need a job skill? Would you like to work in the forest? Do you want to be trained to fight fires? Then you need to apply to be a part of the DOC's Adults in Custody Fire Team.

To qualify for this exciting opportunity, you:

- Must be a Classification Level 1 Unfenced or Classification Level 2 Community
- Your projected release date or start date of eligibility window for treatment should be after 10/01/20.
- You must be medically approved to work in the forest. You must be reasonably fit to perform the duties of the assignment with no asthma or heart conditions.
- You must be approved by your counselor (**Do not request authorization from your counselor. Please submit application directly to Ms. Pimentel**)

You will be automatically disqualified if you:

- Have been convicted of a sexual offense, including attempts
- Have been designated “predatory” in any State
- Have been convicted of Arson or attempt

Working as a wild land firefighter is long, hard, strenuous work. The hours can be 10-16 hours a day in inclement weather over uneven terrain, requiring climbing, bending, stooping, digging and lifting up to 50 pounds repetitively. Pre-qualified candidates must pass the Pack Test (walk 3 miles with 45lbs pack in 45 minutes). If you are selected, you will be trained in wild land firefighting and possibly an additional 40 hours of chainsaw training. In addition, your training may include various natural resource topics and also First Aid and CPR Certification.

The benefits are priceless – you would be working outdoors in a natural setting as part of a team assisting the Oregon Department of Forestry in maintaining healthy forests and protecting them from wild land fires. You will receive a certificate of program completion and upon release you will have a job skill in the wild land fire fighting field.

Firefighters earn the following:

- PRAS of 12-14 points per day, **plus**
- Meritorious award of \$3 per day on fire, **plus**
- Bonus \$3 per day per fire (**General Savings Account**)

If you believe you meet the above criteria and would like to be considered for this work opportunity, please send a complete application form to  
**Ms. Pimentel, IWP Coordinator.**
