- You can also access directly from the Sinsinawa : www.sinsinawa.org/live to view the services.

(Note: Click or tap on the "WATCH" button in the right column next to the event you wish to view in order for the event to appear in the video window.)

In order for our Trinity community to take part in the viewing of the funeral service liturgy on Friday, we will have a synchronous eLearning day on Friday, November 6, 2020 and will run a special schedule. Faculty and staff will report to school, but students will not report to Trinity on this day.

Attendance will be taken in each class period. Per our eLearning attendance policy outlined in [the handbook](#),

- If an eLearner is excessively late to class (more than 10 minutes), they will be charged an absence for the class.
- If a student is not showing up as an eLearner with their sound and video on for the duration of the period, they will be marked absent for that period (if they miss more than ten minutes). Students who are logged on to the zoom but who are not visibly on camera and audibly on the microphone (a black screen or the camera is pointing to the ceiling or another part of the room), will not be counted as present.
