RE: 2020 – 2021 Asbestos Notification Letter

Dear Parent, Guardian, or Staff Member:

This notice is intended to comply with 40 CFR Part 763.93 (g) (4). As per the United States Environmental Protection Agency's "Asbestos Hazard Emergency Response Act" [(AHERA) 40 CFR Part 763], please be advised that an Asbestos Inspection Report and Management Plan has been developed for Trinity High School. The Chief Financial Officer is responsible for maintaining a copy of the Asbestos Management Plan, and the Plan is available for review at the school during normal school hours. The designated person within the plan for the school is Mr. Anthony Bartuch. As required by the U.S.E.P.A., periodic inspections of each school are conducted every six months by properly trained and accredited individuals.

Please note that this is an annual notification Trinity High School is required to send to you under AHERA. There are currently no asbestos programs occurring at Trinity High School. If an asbestos program is being considered, you will receive more information regarding the program.
