

March 12, 2021

Dear Trinity Parent/Guardian,

The health of your daughter has an important influence over her ability to progress in her schoolwork. This fact is so well recognized that the State of Illinois has laws to preserve the health of children. A new state law went into effect on January 1, 2019 that also requires students to have a dental exam prior to entering 9th grade. Documentation of a current dental exam (done within 12 months of the first day of school) is also required. An extension of this deadline was granted by the State of Illinois due to COIVD 19.

We have attached the State of Illinois Proof of School Dental Examination Form for your dentist to complete. Please be sure that both you and the doctor sign the forms in the appropriate areas. **Completed forms are due to the Trinity main office by May 1, 2021.** Students who do not have completed records in the main office will not be permitted to attend classes as of Monday, May 3rd, 2021.
