

Parking Lot Pick Up Event: Wednesday, May 20th from 9 am until 12 noon at Trinity High School.

Students (and/or their family) can plan to arrive on campus for a CONTACTLESS pick up some special senior items!

Traffic Patterns and Safety Precautions:

- Safety is always our top priority at Trinity High School. In order to ensure that graduates (and their families, if desired) remain safe at all times, we ask that you strictly abide by the following guidelines:
 - Students may **ONLY** be in their personal or family vehicle. Students may not ride or drive in the cars of their classmates. We need to ensure that our families and students follow strict social distancing guidelines during the Parking Lot Pick-Up Event.
 - If a family/student walks or uses public transit, we will ask that she/they follow the same traffic pattern described below for vehicles and we ask that all pedestrians wear a mask and maintain a minimum 6 feet of personal space.
 - Cars and pedestrians should enter the Trinity parking lot from the Northeast Corner of our campus (located off of Jackson, just south of Berkshire). This is the same access point for the parking lot that we ask students and families to use during morning drop off on a school day.
 - You will then proceed west across half of the parking lot until you reach the East wall of the Auditorium, you will then turn South and make your way toward the circle driveway (seniors, this traffic pattern will exactly mirror your Senior Car Wash Traffic Pattern).
 - We ask all students to place a 8.5 x 11 inch (standard piece of printer paper or notebook paper) on your dashboard with your **LAST NAME boldly printed in marker** to help us identify you in the traffic line so that we can expedite distribution of your items.
 - Students are welcome to decorate their vehicle for the Parking Lot event!
 - Administration and Trinity Personnel (wearing masks and gloves) will greet you in the circle driveway near the picnic benches (between the choral room doors and the blue awning door) to distribute your personal package of available items posted above.
 - Students and families are asked to remain in their personal vehicle (if applicable). IT PAINS US NOT TO EMBRACE YOU but we need to prioritize the health and safety of our community!
 - After you receive your package, we ask that you slowly and safely exit the Trinity campus, you cannot gather in small groups or clusters in the parking lot.
 - Blazers, we need you and/or your driver to DRIVE safely. There are so many distractions so we need to be super vigilant about driving safely and not exceeding 5 miles per hour in the Trinity parking lot at any time.

*** In the event of inclement weather, we may have to institute a Rain Plan with an alternative date for the Parking Lot Pick-Up Event.

Optional DROP OFF: If you or a family member will not be able to pick up your Senior Package at the Parking Lot Pick Up Event, we will arrange a drop off of your items at your home during the week of May 25th.
