RE: ACT Aspire Summative Testing

Dear Parents/Guardians,

**Is your daughter getting excited about college? Are you thinking about the best way to help her gain admission to the college of her choosing? Scholarships to assist in that dream?**

It is our goal at Trinity High School to prepare your daughter for applying to and attending the college of her choice. This month, she will be taking a very important assessment here at Trinity HS- the ACT Aspire Assessment for ninth and tenth grade students.

This assessment will help us to monitor your daughter's progress toward college readiness and the ACT. In addition, ACT Aspire reporting assists Trinity in planning academic supports and growth opportunities within our school curriculum to meet her needs. Another important benefit of this assessment is providing your daughter with confidence in her test taking skills.

The ACT Aspire Summative Assessments will be administered on May 12th, 2021. Please know this is a regular attendance day and students are required to be present, however uniforms are not required this day. The test will cover the following subject areas: English, Reading, Writing, Mathematics, and Science.

On May 12th, check-in will be from 8:00 am-8:15 am and testing will begin promptly at 8:15 am. Your daughter should report to the following entrances based on the first letter of her last name:

(A-L)- Check-in at the main entrance on Lathrop Avenue  
(M-Z)- Check-in at the Division Street entrance

If your student is an e-learner and is struggling to get the Appian App to work, she may print this [form](#) to present with a parent signature at check-in instead of using the app. Testing will conclude at 2:55 and students will be dismissed at this time. Buses will run according to the regular schedule. Lastly, students will need to bring the following with on test day, #2 pencils, a calculator, and a bag lunch.

For more information regarding the ACT Aspire Summative Assessments please visit:  
<https://www.discoveractaspire.org/assessments/summative/>.

Should you have questions regarding these assessments, please do not hesitate to contact your daughter's counselor.

Sincerely,  
Victoria Herling  
School Counselor/Test Coordinator
