# NAVIGATING THE COLLEGE PLANNING PROCESS

**WED., 3/18, 6:30-8 PM**  
**GRADES 9-ADULT**

This is a must-attend workshop for high school parents/guardians wanting to learn about new strategies that can save their family money and headaches, while at the same time, finding the best college fit for their students. Myths and misconceptions will be discussed. Little-known financial strategies to increase financial aid will be shared. Presented by academic and financial planning strategists from My College Planning Team.
