

austin & **materials marketplace**

CAC Staff! Are you interested in finding supplies for your office? Trying to find a new home within Austin ISD for equipment, supplies, and furniture before the move? Join Austin Materials Marketplace's online forum.

1. Click here: <http://austinmaterialsmarketplace.org/aisd>
2. Receive account credentials from program staff
3. Create listings for materials you want or have available
4. Coordinate pick up/drop off through the platform

Austin Materials Marketplace is an easy-to-use resource for AISD employees to find supplies, materials for new projects - even furniture!

Share items between classrooms and campuses too.

By sourcing materials from AMM, we have a unique opportunity to find supplies at NO-COST and engage in sustainable practices.

Austin ISD's partnership with AMM is diverting waste from landfills and the materials recovered through the program generate cost savings, energy savings, and create new jobs and business opportunities.
