61st Biennial Convention

CALL TO CONVENTION

LEAGUE OF WOMEN VOTERS OF NEW YORK STATE

To: Local League Presidents
From: Nancy Rosenthal

It is my great pleasure to extend a first call to the 61st Convention of the League of Women Voters of New York State to be held June 20-22, 2025 at the Crowne Plaza Albany – Desmond Hotel. The official business meeting begins with the opening plenary session at 2:15 p.m. on Saturday, June 21st. However, our Convention will kick off on Friday, June 20th at 5 p.m. with our honored guest Dianna Wynn, President of the League of Women Voters of the United States.

Convention is an opportunity

- to meet and network with League leaders from all over the state in person!
- to make new friends and renew old friendships
- to collaborate and tackle the challenges we are all facing together
- to learn what's forthcoming in League operations
- to improve your League's communications and visibility
- to strengthen your League by working together, sharing experiences, learning from each other, and being inspired
- to celebrate our successes

You will leave with more knowledge, new ideas, and motivation to make your League better able to reach its goals. I encourage each League to send at least 1 delegate! It is so important to have someone here from your League. Let us know if for some reason you cannot and we will try to help.

An exciting program is scheduled for Friday, June 20th:

- Hear from Dianna Wynn, President of the League of Women Voters of the United States. Dianna will talk about her vision for the League and how we move forward in this historic time.
- Join us for a welcome reception and dinner on Friday evening
- Join strategic breakout sessions to discuss the trajectory of the League

On Saturday morning, we have workshops on a number of interesting topics and you are sure to learn something new for your League. And, information sessions and caucuses held on Friday and Saturday evenings will introduce you to new ideas from other Leagues and help you determine how to voice your opinions and votes at Sunday's business meeting.

It is a wonderful exercise of grassroots democracy in action. Delegates representing the local Leagues come together to make the important decisions that will guide us through the next two years including the election of officers and directors, and the adoption of a budget, bylaws amendments, and our state program for 2025-2027.

According to Article VIII, Section 3 of the LWVNYS Bylaws, the Convention shall be composed of the following voting delegates:

Sec. 3. Convention:

- a. Composition.** The Convention shall consist of the delegates of the local Leagues, ILOs and MAL units, as provided in this article, and the members of the board, each of whom shall be entitled to one vote.

- b. Qualifications of Delegates and Voting. All delegates shall be voting members of the League. Each delegate representing a local League, ILO, or MAL unit, or duly authorized proxy as provided in subsection f, shall be a member in good standing of that local League, ILO or MAL Unit and shall be entitled to vote only if that League, ILO or MAL unit has met its per-member-payment responsibilities. The LWVNYS board may make an exception in the case of proven hardship. No delegate shall be entitled to more than one vote, and absentee shall not be permitted. Final determination of a delegate's qualifications or credentials shall be made by the Convention.
- c. Representation at Convention The members of the LWVUS who are organized into recognized local Leagues, ILOs, and MAL units in the state of New York shall be entitled to voting representation at the Convention as follows: each local League shall be represented by one delegate. In addition to that delegate, each local League is entitled to one delegate for the first 40 members. Leagues having more than 40 members shall be entitled to one delegate for each additional 40 members or major fraction thereof. Membership numbers will be determined by the number indicated in the official LWVUS membership count report for the year of the Convention. Each recognized ILO shall be entitled to one voting delegate. Each MAL unit shall be entitled to one voting delegate.
- d. Quorum. A quorum for the transaction of business at Convention shall be participation by one tenth of the total number of authorized delegates.
- e. Authorization for Action. The Convention shall consider and authorize a program for action; shall elect officers, directors, the chair and two members of the nominating committee; shall adopt a budget for the ensuing year; and shall transact such other business as may come before it.
- f. Proxies. Every proxy must be in writing and signed by the president of the local League or ILO or the chair of the MAL Unit. Every proxy shall be revocable at the pleasure of the person executing it, unless otherwise provided by law. The proxy can contain such conditions as determined by the giver of the proxy. For the purpose of representing another League, all proxies shall be delivered to the presiding officer.

If a League is authorized to send one or more delegates to the Convention and is unable to do so, they may authorize another person eligible to vote at Convention to represent them by giving that person a "proxy". The League giving the Proxy may give a specific proxy to direct the Proxy holder how to vote on particular matters or a general proxy.

For example, League A is authorized to send two delegates, but only one member of that League is able to attend. The president of League A learns that League B has more members eager to attend the Convention than available delegate slots. League A appoints a member of League B to represent them at Convention.

If your League is going to have a proxy holder, please contact the state League office.

Delegates representing their own local League are uninstructed and are expected to use their own judgment in reaching decisions based on Convention discussion. Delegates are committing their local Leagues to program study and action as well as financial obligation. Your League should be well-represented! For your convenience, see page 8 for the number of voting delegates that your League is allowed to send to Convention.

Every League member is encouraged to attend all or part of the Convention as a visitor. Visitors may participate in all Convention events. However, they are unable to vote as delegates.

All sessions will be offered twice so that attendees will have the chance to go to two.

Building Momentum: Strengthening membership through community relationships and political action

Ann Marie Pendergast, LWV Saratoga and MaryKate Owens, LWV Albany

It's not who, it's what we support! The combination of the League's nonpartisan policy and our position on issues creates a unique space amid heavily partisan rhetoric. Come to this workshop to identify ways to expand and activate membership, foster partnerships, and lead with League values. We will speak about the role of a nonpartisan organization at this time, what members are hoping for, and the League's purpose in the fight for democracy.

Tools for Pushing Back

TBD

Learn how to effectively advocate at all levels of government. This workshop will highlight lobbying, letters to the editor, testifying, and grassroots movement building.

A New Look at Get Out The Vote

Nick Doran, Vice President of Voter Service

Join us to hear more about the technology and services we have to more effectively get out the vote. We'll talk about VAN, canvassing, and phone banking.

Diversity, Equity, Inclusion, and Access

Regina Tillman, Vice President of DEI

Join us for a panel to discuss how we can continue to prioritize DEI in all of our work amidst the national push back. Prioritizing this work is vital for engaging all community members to participate responsibly and effectively in a diverse and strong democracy.

All exhibits must be labeled with the local League name. All products and/or exhibits must be picked up by 2:00 PM on SUNDAY, June 22ND.

Sales/Exhibit space is limited and will be allotted on a first-come, first-serve basis.
